Perkins V Postsecondary Special Populations: Data Sources
Minnesota State**

Special Population	Identified Source of Data for Postsecondary Reporting
Individuals with disabilities	ISRS.PS_DISAB_DEMO (permanent disability indicated/not denied that overlaps the cohort timeframe).
Individuals from economically disadvantaged families, including low-income youth and adults	Includes students who were Pell-Eligible and/or were recipients of Pell, BIA, or SEOG (Fed Supplemental Educational Opportunity Grant) financial aid awards during the cohort timeframe.
Individuals preparing for non-traditional fields	Include students who, in the cohort data, have a first major and/or award listed that is Perkins eligible and nontraditional AND the individual earned more than zero cumulative college level credits AND the individual's gender is the same as the program's nontraditional gender.
Single parents, including single pregnant women	Include student if Accuplacer item #27 or FAFSA are indicative (marital status indicates single or divorced/widowed AND FAFSA item #51 indicates the individual has or will have children who will receive more than half of their support from them for the next year).
Out-of-workforce individuals	Include student if Accuplacer item #28 or FAFSA are indicative (marital status indicates single or divorced/widowed AND FAFSA item #102 indicates individual or spouse are dislocated workers).
English learners	Include student if is enrolled in an ESL course during the cohort timeframe OR Accuplacer items #20 and/or #21 indicate another language was learned first or another language is spoken most often at home AND individual is enrolled in a developmental reading or writing course during the cohort timeframe OR cohort code 5000 (limited English) is applied to the student's record with dates overlapping the cohort timeframe.
(New for postsecondary) Homeless individuals described in section 725 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a)	Applies only to YOUTH enrolled during the cohort timeframe. If the individual is a youth and FAFSA items #56, 57 or 58 indicate the individual is/was homeless or at risk of being homeless, include.
(New) Youth who are in, or have aged out of, the foster care system	Applies only to YOUTH enrolled during the cohort timeframe. If the individual is a youth and FAFSA item #53 indicates the individual's parents are both deceased and individual was in foster care or was a dependent or ward of the court, include.
(New) Youth with a parent who – i. Is a member of the armed forces (as such term is defined in section 101(a)(4) of title 10, United States Code); and ii. Is on active duty (as such term is defined in section 101(d)(1) of such title)	No identified source. Most financial aid awards or related questions only identify if the person is a spouse or dependent of someone in the active military or is himself/herself in the active military or a veteran. There is not enough detail in our data sources to identify individuals who are YOUTH and the child of someone who is currently a member of the armed forces and on active duty.
(New for postsecondary) Migrant students	No identified source. The definition in ESEA refers to children who are or who have parents who are migratory workers and have moved from one school district to another or moved within a single district from one administrative area to another, etc. This is not information collected in a standard way for postsecondary students.

Youth = individuals not younger than 14 and not older than 24 (state-defined)
