RE: **2018-2019 TUITION RECIPROCITY RATES FOR STUDENTS FROM NORTH DAKOTA, SOUTH DAKOTA, MANITOBA, IOWA, MSEP STATES AND WISCONSIN**

This document contains the official 2018-2019 reciprocity rates for students from North Dakota, South Dakota, Manitoba, Iowa, MSEP states and Wisconsin. Please distribute a copy of this document to your campus business, financial aid and admissions offices.

Minnesota State campuses that do not have non-resident tuition rates must still require residents from North Dakota and Wisconsin to apply for tuition reciprocity so they are officially approved by boards in those states and included in the interstate payment calculation. Students from South Dakota can be approved for reciprocity on campus without having to apply through the South Dakota Board of Regents.

**Students from North Dakota**

The attached spreadsheet (Minnesota State19\_Chart) reflects the 2018-2019 reciprocity tuition rates for North Dakota reciprocity recipients attending Minnesota State campuses. Graduate students at Minnesota State campuses should be charged the Minnesota resident tuition and fee rates.

**Students from South Dakota**

The chart on the next page reflects 2018-2019 reciprocity rates for students from South Dakota.

**Students from Iowa**

The only participating institution, Minnesota West Community and Technical College, should charge its Minnesota resident tuition and fee rate to Iowa residents of Merged Area III in northwestern Iowa who are participating in tuition reciprocity. Other Minnesota State campuses are not covered by the Iowa agreement.

**Students from Manitoba**

Minnesota State campuses should charge Minnesota resident tuition and fee rates to tuition reciprocity participants from Manitoba.

**Students from MSEP States (Illinois, Indiana, Michigan, Missouri, Kansas and Nebraska)**

Participating Minnesota State institutions/programs should charge MSEP participants up to 150 percent of the resident tuition rate at the Minnesota institution attended, plus any institutional fees. Institutions can charge anywhere from 100 to 150 percent of the resident rate. Students attending Minnesota State campuses that no longer charge non-resident rates do not need to apply for MSEP rates or be reported in MSEP enrollment reports.

**Students from Wisconsin**

The attached spreadsheet (Minnesota State19\_Chart) reflects the 2018-2019 reciprocity tuition rates for Wisconsin reciprocity recipients attending Minnesota State campuses.

If you have any questions, I encourage you to contact me. Thank you and all the Minnesota State reciprocity administrators for all you do to administer the reciprocity agreements on campus. I look forward to working with you all during the coming academic year.
