ARTICULATION AGREEMENT
BETWEEN
CENTURY COLLEGE (MN)
AND
BETHEL UNIVERSITY (MN)
COLLEGE OF ADULT AND PROFESSIONAL STUDIES (CAPS)

*The Board of Trustees of the Minnesota State Colleges and Universities is authorized by Minnesota Statutes, Chapter 136F to enter into Agreements and has delegated this authority to colleges and universities.

This Agreement is entered into between Century College (sending institution), and Bethel University College of Adult and Professional Studies (receiving institution). This Agreement and any amendments and supplements, shall be interpreted pursuant to the laws of the State of Minnesota.

The sending institution has established an **A.S. degree in Education** (sending program), and the receiving institution has established a **B.A. degree in Special Education** (receiving program), and will facilitate credit transfer and provide a smooth transition from one related program to another. This program presupposes that the student will have completed the program in its entirety as documented below with no changes, substitutions, waivers, additions, or omissions – any variation will necessitate an individual evaluation whether there is any impact on the details of this agreement. It is mutually agreed:

Admission and Graduation Requirements

- A. The receiving institution's admission and program admission requirements apply to both direct entry students and to students who transfer under this agreement.
- B. Students must fulfill the graduation requirements at both institutions.
- C. Students must complete the entire sending program and meet the receiving institution's admission requirements for the agreement to apply.

Transfer of Credits

- A. The receiving institution will accept 60 credits from the sending program. A total of 67 credits remain to complete the receiving program.
- B. Courses will transfer as described in the attached Program Articulation Table.

Implementation and Review

- A. The Chief Academic Officers or designees of the parties to this agreement will implement the terms of this agreement, including identifying and incorporating any changes into subsequent agreements, assuring compliance with system policy, procedure and guidelines, and conducting a periodic review of this agreement.
- B. This Articulation Agreement is effective on 9/01/2019 and shall remain in effect until the end date of 8/31/2024 or for five years, whichever occurs first, unless terminated or amended by either party with 90 days prior written notice.
- C. The sending and receiving institutions shall work with students to resolve the transfer of courses should changes to either program occur while the agreement is in effect.
- D. This Articulation Agreement will be reviewed by both parties beginning 2/28/2024 (within six months of the end date).
- E. When a student notifies the receiving institution of their intent to follow this agreement, the receiving institution will encode any specified course waivers and substitutions.
