

# Consortia Leader Help Desk: Programs of Study

- *Facts*
- *Fiction*
- *Developments*

**November 1, 2021**

**Robb Lowe—Minnesota State**

**Dean Breuer—Minnesota Department of Education**

**MINNESOTA STATE**  
Career and Technical Education

**mi** DEPARTMENT  
OF EDUCATION

Yes we know  
you know this  
but:

- **State – Recognized Programs of Study (S-R POS) - The Pieces:**
  - Alignment to Needed Pathway Skills
  - Partnerships
  - MDE Program Approval
  - Minnesota State Academic Requirements
  - Sufficient Materials, Equipment or Resources
  - Authentic Work Experience
  - Supported by CLNA
- **S-R POS May or May Not Need Funding**

# The Future State of S-R POS

- **The GOAL**

- To Highlight Well Developed POS
- To Have All 6 Fields Covered

- To Differentiate Between S-R POS & POS

Why do we do  
the things that  
we do

- **Compliance or More?**
  - Because Federal Regulations Require It
  - To Demonstrate MN Perkins Requirements
    - Minimum of 4 Fields Covered by S-R POS
    - Maximum of 1 Brokered S-R POS
  - Align POS to CLNA priorities
  - To be a Resource for Stakeholders

# Funding Priorities

- **Program of Study (POS)**
  - MDE Program Approval
  - Minnesota State Academic Requirements
  - Supported by CLNA
- **POS Could be S-R POS in the Making**
- **POS Reflect the Need for Support & Development**

## Reporting POS for Previous Two-Year Plan

- **Consortia provided information through Amplifund**
- **State team accumulated information into a spreadsheet matrix for each consortia**

## Issues with Amplifund

- **Not easy to meet federal requirements for posting POS information**
- **Separate Amplifund screen for each POS—not easy to communicate POS information to stakeholders**
- **New two-year plan would require completion of all screens again...even if no changes to Programs of Study**

# New Spreadsheet Tool to Replace Amplifund for POS Submission

- **3 Information Tabs, 2 Example Tabs**
  - **Instructions and Verification of State-Recognized Programs of Study**
  - **Reporting State-Recognized POS**
  - **Identifying POS Funding Priorities**
- **DEMO COMING UP!!**

# New Spreadsheet Tool to Replace Amplifund for POS Submission

- **Benefits:**
  - Ability to copy/paste POS information into future applications
  - Better stakeholder communication tool—POS information can be displayed on one sheet
  - NO LIMIT to number of State-Recognized POS that can be reported (must verify each complies with all 7 components)
  - Separates State-Recognized POS reporting from “POS funding priorities”
- **DEMO COMING UP!!**

# A Little Known Fact or Maybe Not

- **Minnesota State Colleges Have:**
  - A Complete Listing of All CTE Programs
    - This is according to the System Office and may not capture all the updates at a campus
  - Including Certificate, Diploma, AS, & AAS Degrees
    - By College
    - By Field
    - By Cluster
    - By Pathway
    - By CIP Code
  - A Valuable Resource to Ensure Alignment
    - Internal
    - External
