Special Notes, if any:

¹At least 40 of the required credits for the baccalaureate degree shall be at the upper-division level. If a lower division course is shown as equivalent to an upper division course, the course will not count toward the 40 required credits of upper division.

In addition, some courses in your program of study may require additional prerequisites.

The Gender Studies Major at Metropolitan State is optimized for double-majoring with English, Ethnic Studies, History, or Social Science.

²GELS Requirement: To meet the university's General Education and Liberal Studies (GELS) requirement, students must:

- Complete 48 unduplicated GELS credits
 - Minnesota Transfer Curriculum (MnTC) for 40 credits, and
 - Eight (8) upper-division semester credits (300-level or higher) to fulfill the university's Liberal Studies requirement.
- Students who have completed the Minnesota Transfer Curriculum (MnTC) and Liberal Studies requirements may still need additional credits to bring the total to 48 unduplicated credits.

The actual number of credits needed to complete the MnTC depends upon:

- The number of required General Education/MnTC credits in your program at the community/technical college (listed in Section A)
- A college's distribution requirements within the MnTC—all MinnState institutions require 40 credits in 10 Goal Areas, but colleges have different requirements as to how the credits are distributed within the goal areas—e.g., Metro State requires two writing courses for Goal 1 (6 credits), the sending institution may require two writing courses plus a communications course (9 credits) in Goal 1.
- When MnTC electives are listed (i.e., no specific course is named), the number of goal areas a course meets will determine the number of courses you may need to take to fulfill MnTC requirements—i.e., it's better to choose courses meeting more than one goal area.
- May need to include upper-division credits in order to fulfill the 40 credit upper-division requirement for graduation.

Consult an academic advisor (at either the sending or receiving institution) to plan the completion of the MnTC requirement.

³Liberal Studies: All students must complete eight (8) upper-division semester credits (300-level or higher) from the approved GELS Course List. Liberal Studies courses may overlap with one or two goal areas.

⁴RIGR Requirement: Metropolitan State University's Racial Issues Graduation Requirement (RIGR) becomes effective for all new undergraduate students admitted Fall 2016 or later. The requirement is at least one learning experience (minimum of 3 credits) with significant focus on race and racism. Approved "racial issues" courses or other learning experiences are designated in the online class schedule and can overlap with any other requirement for graduation, including General Education/Minnesota Transfer Curriculum (MnTC) requirements, Liberal Studies requirements, major requirements and electives. Upon review, an approved prior learning, independent study, theory seminar or transfer course from other accredited institutions may also be used to meet this graduation requirement.
