

MINNESOTA STATE COLLEGES AND UNIVERSITIES* ARTICULATION AGREEMENT BETWEEN	Chippewa Valley Technical College (CVTV) AND Minnesota State University, Mankato (MSUM)
<p>*The Board of Trustees of the Minnesota State Colleges and Universities is authorized by Minnesota Statutes, Chapter 136F to enter into Agreements and has delegated this authority to colleges and universities.</p>	

This Agreement is entered into between Chippewa Valley Technical College at 620 W. Clairemont Avenue, Eau Claire, WI 54701 (hereinafter sending institution), and Minnesota State University, Mankato at 228 Wiecking CTR, Mankato, MN 56001 (hereinafter receiving institution). This Agreement and any amendments and supplements, shall be interpreted pursuant to the laws of the State of Minnesota.

The sending institution has established a Dental Hygiene Associate of Applied Science degree (hereinafter sending program), and the receiving institution has established a Dental Hygiene Bachelor of Science Degree Completion Program (hereinafter receiving program) and will facilitate credit transfer and provide a smooth transition from one related program to another. It is mutually agreed:

Admission and Graduation Requirements

- A. The receiving institution’s admission and program admission requirements apply to both direct entry students and to students who transfer under this agreement.
- B. Students must fulfill the graduation requirements at both institutions.
- C. Students must complete the entire sending program and meet the receiving institution’s admission requirements for the agreement to apply, including grade requirements for courses and an overall GPA requirement.

Transfer of Credits

- A. The receiving institution will accept 70 credits from the sending program. A total of 50 credits remain to complete the receiving program. This number is reduced if additional general education credits transfer or if additional credits are accepted towards total credits; a minimum of 32 dental hygiene courses are required.
 - a. For the purposes of this program only, the 16-credit limit on technical credits will be waived.
- B. Courses will transfer as described in the below Program Articulation Table. For system institutions, once the courses are encoded, they will transfer as described in the “*Transferology*” audit.

Implementation and Review

- A. The Chief Academic Officers or designees of the parties to this agreement will implement the terms of this agreement, including identifying and incorporating any changes into subsequent agreements, assuring compliance with system policy, procedure and guidelines, and conducting a periodic review of this agreement.
- B. This Articulation Agreement is effective on 01/01/2020 and shall remain in effect until 12/31/2024 or for five years, whichever occurs first, unless terminated or amended by either party with 90 days prior written notice.
- C. The college and university shall work with students to resolve the transfer of courses should changes to either program occur while the agreement is in effect.
- D. This Articulation Agreement will be reviewed by both parties beginning 07/01/2024 (within six months of the end date).

- E. When a student notifies the receiving institution of their intent to follow this agreement, the receiving institution will encode course waivers and substitutions.

Special Notes, if any: Students with an AAS degree in dental hygiene from CVTC will follow the revised AS/AAS transfer policy. General Education courses not listed here will be individually evaluated by the registrar's office for meeting MSU general education requirements. These additional credits have potential to reduce number of credits needed at MSU-M.

SECTION B - Major, Emphasis, Restricted and Unrestricted Electives or Other

(pre-requisite courses, required core courses, required courses in an emphasis, or electives (restricted or general) within the major). Restricted electives (in Major) fulfill a specific requirement within a major. Example A: "Chose two of the following three courses;" Example B: A Biology degree may require 40 science credits (20 credits of required courses + 20 credits of listed related courses, such as botany, genetics, microbiology, etc. which students can select).

Special Notes, if any: For the purposes of this program only, the 16-credit limit on technical credits will be waived. If student transfers with more than 70 credits, only 49 credits will be needed at MSUM.

SECTION D - Summary of Total Program Credits

College (sending) Credits		University (receiving) Requirements	
MnTC/General Education	23		
Major, Emphasis, Unrestricted Electives or Other	47		
Total College Credits	70	Total College Credits Applied	70
		Remaining credit to be taken at the university (receiving institution)	50
		Total Program Credits	120

Special Notes, if any: All students admitted into the BS Degree Completion Program under this agreement receive credit for meeting all lower division requirements for a BS in Dental Hygiene. The BS Degree Completion Program is a broad major and does not require a minor. We will substitute 8 credits from CVTC (508-112 and 508-117) to meet upper division requirements at MSU-M. All courses for a BS degree can be completed online.

² At least 40 of the required credits for the baccalaureate degree shall be at the upper-division level. If a lower division course is shown as equivalent to an upper division course, check with the university to determine if it will count toward the 40 required credits of upper division.
