

MINNESOTA STATE COLLEGES AND
UNIVERSITIES*
TRANSFER AGREEMENT
BETWEEN

ST. CLOUD TECHNICAL & COMMUNITY
COLLEGE
AND
METROPOLITAN STATE UNIVERSITY

*The Board of Trustees of the Minnesota State Colleges and Universities is authorized by Minnesota Statutes, Chapter 136F to enter into Agreements and has delegated this authority to colleges and universities.

This Agreement is entered into between St. Cloud Technical & Community College, 1540 Northway Drive, St. Cloud, MN 56303 (hereinafter sending institution), and Metropolitan State University, 700 East 7th Street, St. Paul, MN 55106 (hereinafter receiving institution). This Agreement and any amendments and supplements, shall be interpreted pursuant to the laws of the State of Minnesota.

The sending institution has established a Dental Hygiene A.A.S (hereinafter sending program), and the receiving institution has established a Dental Hygiene B.S.D.H. (hereinafter receiving program), and will facilitate credit transfer and provide a smooth transition from one related program to another. It is mutually agreed:

Admission and Graduation Requirements

- A. The receiving institution's admission and program admission requirements apply to both direct entry students and to students who transfer under this agreement.
- B. Students must fulfill the graduation requirements at both institutions.
- C. Students must complete the entire sending program and meet the receiving institution's admission requirements for the agreement to apply, including grade requirements for courses and an overall GPA requirement.

Transfer of Credits

- A. The receiving institution will accept 84 credits from the sending program. A total of 46-47 credits remain to complete the receiving program.
- B. Courses will transfer as described in the attached Program Transfer Table. For system institutions, once the courses are encoded, they will transfer as described in the "Transferology" audit.

Implementation and Review

- A. The Chief Academic Officers or designees of the parties to this agreement will implement the terms of this agreement, including identifying and incorporating any changes into subsequent agreements, assuring compliance with system policy, procedure and guidelines, and conducting a periodic review of this agreement.
- B. This Transfer Agreement is effective on 03/01/2022 and shall remain in effect until 03/01/2027 or for five years, whichever occurs first, unless terminated or amended by either party with 90 days prior written notice.
- C. The college and university shall work with students to resolve the transfer of courses should changes to either program occur while the agreement is in effect.
- D. This Transfer Agreement will be reviewed by both parties beginning 09/01/2026 (within six months of the end date).
- E. When a student notifies the receiving institution of their intent to follow this agreement, the receiving institution will encode course waivers and substitutions.

PROGRAM TRANSFER TABLE

Instructions

- List all required courses in both academic programs.
- MnTC goal areas transfer to the receiving institution according to the goal areas designated by the sending institution.
- Do not indicate a goal area for general education courses that are not part of the MnTC.
- For restricted or unrestricted electives, list number of credits.
- Credits applied: the receiving institution course credit amount may be more or less than the sending institution credit amount. Enter the number of credits that the receiving institution will apply toward degree completion.
- Show equivalent university-college courses on the same row to ensure accurate DARS encoding.
- Equiv/Sub/Wav column: If a course is to be encoded as equivalent, enter Equiv. If a course is to be accepted by the university as a "substitution" only for the purposes of this agreement, enter Sub. If a course requirement is waived by the receiving institution, enter Wav. If a course is to be accepted by the university as a MnTC goal area, restricted elective or unrestricted elective, leave the cell blank.

SECTION C - Remaining University (receiving) Requirements

	course prefix, number and name	Credits
	Complete remaining MnTC Goal Areas and Liberal Studies requirements (GELS) including the following required major supporting courses:	24
	<ul style="list-style-type: none"> • PHIL 321 Medical Ethics (LS) • STAT 201 Statistics (Goal 4) • WRIT 331 Writing in Your Major (LS) 	
	DENH 300 Designing & Managing Teams in Health Care	3
	DENH 310 Current & Relevant Topics for the Dental Hygienist	3
	DENH 320 Management of Oral Health Care delivery (RIGR)	3
	DENH 330 Dental Hygiene Care for Culturally Diverse & Special Needs Populations	3
	DENH 410 Evidence-Based Dental Hygiene Practice	3
	DENH 430 Dental Hygiene Capstone	4

	University unrestricted elective credits not counted elsewhere (if none enter 0)	0
	Total Remaining University Credits²	46-47

Special Notes, if any:

¹At least 40 of the required credits for the baccalaureate degree shall be at the upper-division level. If a lower division course is shown as equivalent to an upper division course, the course will not count toward the 40 required credits of upper division.

In addition, some courses in your program of study may require additional prerequisites.

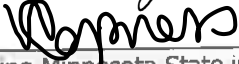

²GELS Requirement: To meet the university's General Education and Liberal Studies (GELS) requirement, students must:

- Complete 48 unduplicated GELS credits
 - Minnesota Transfer Curriculum (MnTC) for 40 credits, and
 - Eight (8) upper-division semester credits (300-level or higher) to fulfill the university's Liberal Studies requirement.
- Students who have completed the Minnesota Transfer Curriculum (MnTC) and Liberal Studies requirements may still need additional credits to bring the total to 48 unduplicated credits.
- The actual number of credits needed to complete the MnTC depends upon:
 - The number of required General Education/MnTC credits in your program at the community/technical college (listed in Section A)
 - A college's distribution requirements within the MnTC—all MinnState institutions require 40 credits in 10 Goal Areas, but colleges have different requirements as to how the credits are distributed within the goal areas—e.g., Metro State requires two writing courses and 1 Communication course for Goal 1 (9 credits), the sending institution may require only 1 writing course and 1 Communication course in Goal 1 (6 credits).
 - When MnTC electives are listed (i.e., no specific course is named), the number of goal areas a course meets will determine the number of courses you may need to take to fulfill MnTC requirements—i.e., it's better to choose courses meeting more than one goal area.
 - Students may need to take upper-division courses in Goal Areas in order to fulfill the 40 credit upper-division requirement for graduation.
 - Some courses may require prerequisites.
- Consult an academic advisor (at either the sending or receiving institution) to plan the completion of the MnTC requirement.

³Liberal Studies: All students must complete eight (8) upper-division semester credits (300-level or higher) from the approved GELS Course List. Liberal Studies courses may overlap with one or two goal areas.

⁴RIGR Requirement: Metropolitan State University's Racial Issues Graduation Requirement (RIGR) becomes effective for all new undergraduate students admitted Fall 2016 or later. The requirement is at least one learning experience (minimum of 3 credits) with significant focus on race and racism. Approved "racial issues" courses or other learning experiences are designated in the online class schedule and can overlap with any other requirement for graduation, including General Education/Minnesota Transfer Curriculum (MnTC) requirements, Liberal Studies requirements, major requirements and electives. Upon review, an approved prior learning, independent study, theory seminar or transfer course from other accredited institutions may also be used to meet this graduation requirement.
