Sexual Harassment

Did you know that sexual harassment is a form of discrimination? Workplaces take sexual harassment very seriously. Because of that, it is important to know what is considered sexual harassment.

There are two forms of sexual harassment: Quid Pro Quo and Hostile Work Environment.

**Quid pro quo** means “this for that.” This type of harassment occurs when an employment benefit is offered in exchange for some type of sexual favor. For example, a supervisor might offer a promotion to an employee if they agree to go out with them. Quid pro quo sexual harassment is illegal. It can be the grounds for a lawsuit.

**Hostile work environment** is the type of sexual harassment that occurs when there is frequent unwanted sexual comments, advances, requests, or other similar conduct. It can also occur when there is other verbal or physical conduct that is sexual in nature. This could include:

- Displays of inappropriate or offensive materials;
- Sexual jokes;
- Interference with someone’s ability to move freely; and
- Persistent, unwanted interactions, such as asking for dates continually.

What to do if you experience sexual harassment in the workplace: First, talk to the other person. Let them know that their behavior makes you uncomfortable and ask them to stop. If they do not stop, report the behavior to your supervisor or human resources. Consult your employee handbook to see if your company has a specific process for reporting sexual harassment. It is against the law for coworkers or other employees to retaliate against you for reporting sexual harassment.
