

# 2024–2025 Guide to your 33 STATE COLLEGES AND UNIVERSITIES

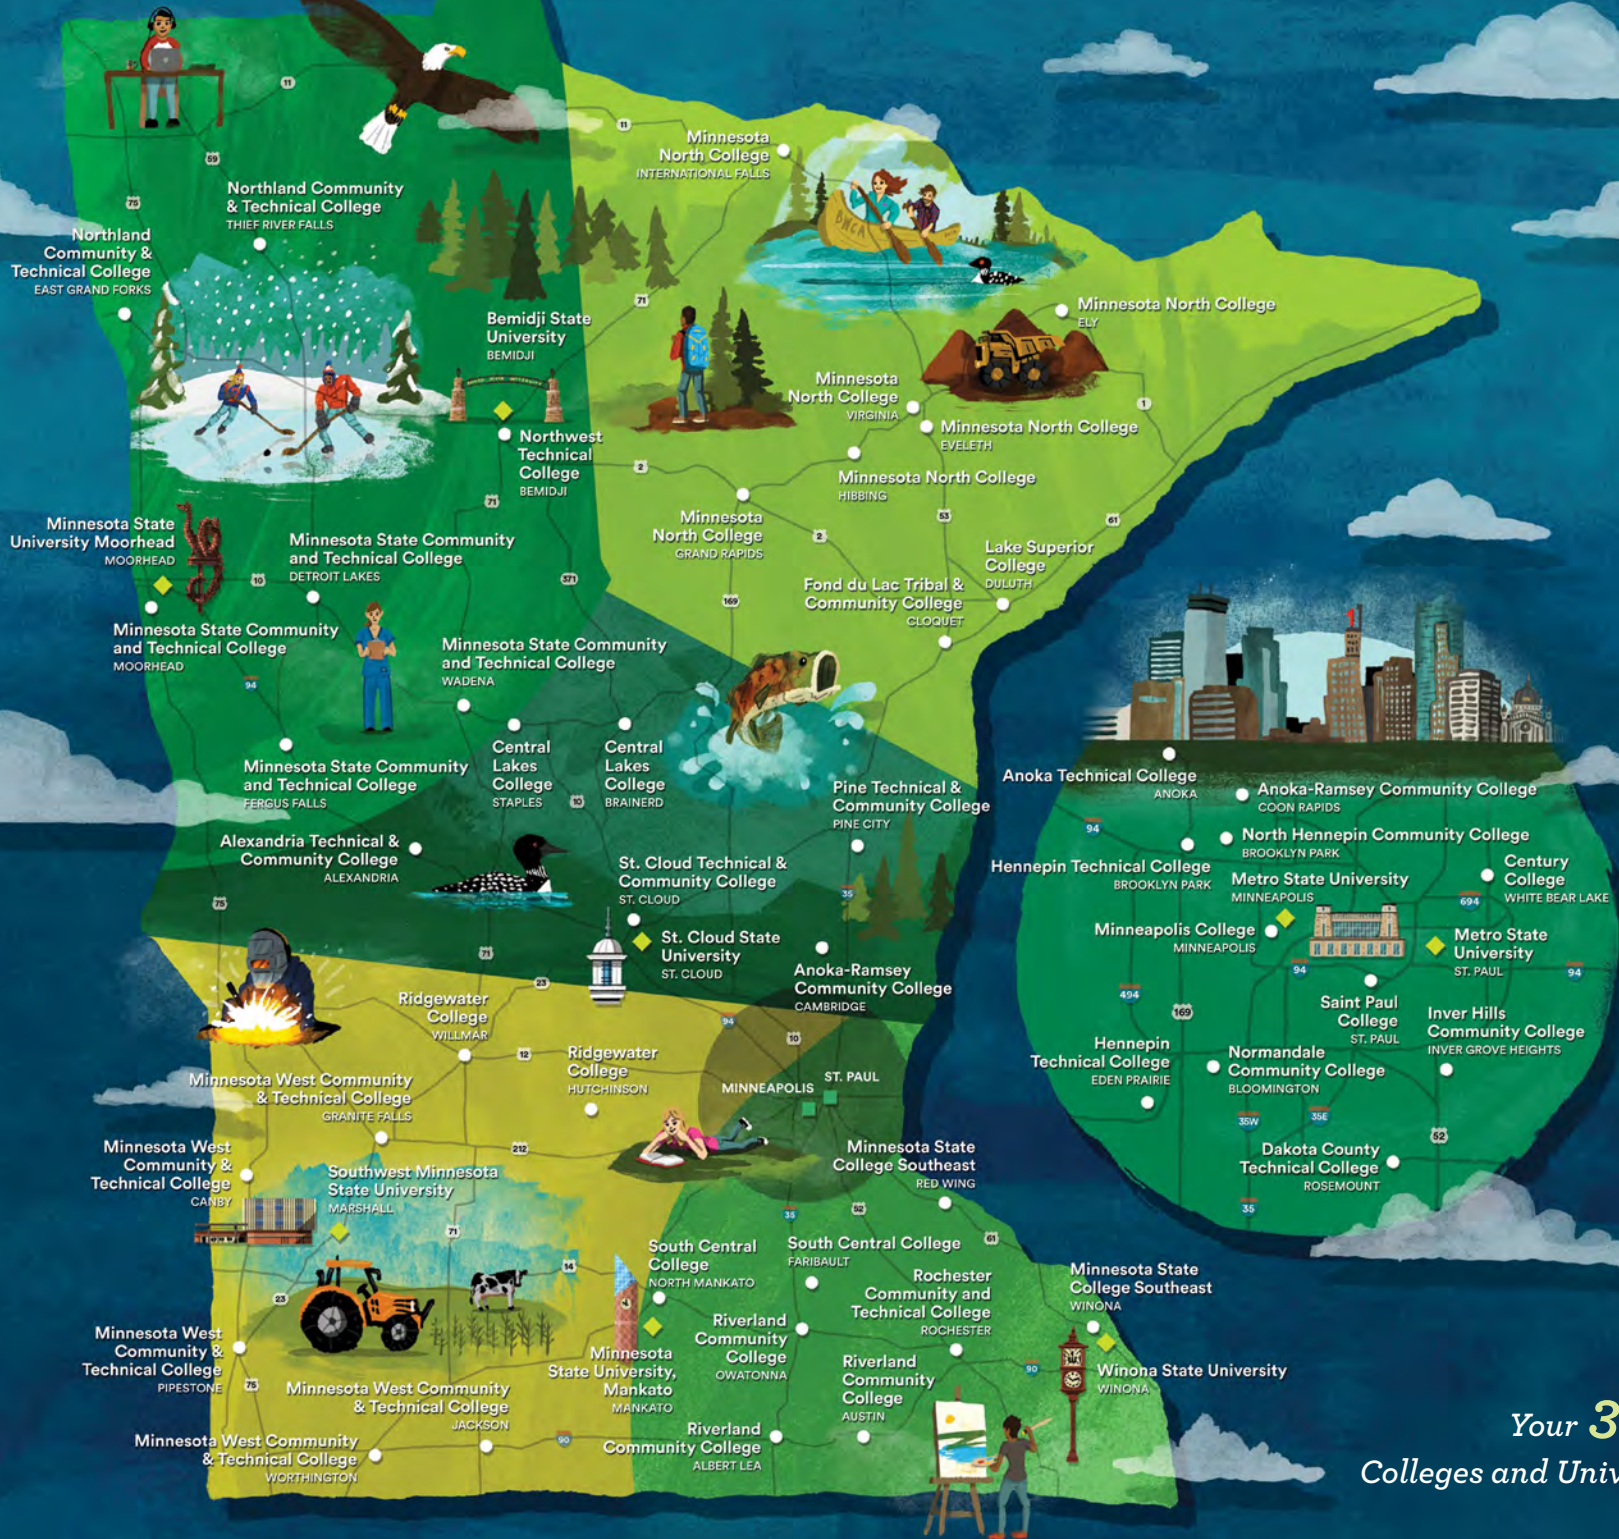

**MINNESOTA STATE**

Extraordinary Education. Exceptional Value.

[MinnState.edu](https://MinnState.edu)

Your **33** State  
Colleges and Universities

MINNESOTA STATE

# Extraordinary Education. Exceptional Value.

Nestled amidst the lakes, forests, and scenic landscapes of Minnesota are the 33 state colleges and universities of Minnesota State, your state college and university system.

Each year, 270,000 students choose your state colleges and universities, creating a brighter future to become the talent needed for Minnesota businesses and communities to grow and prosper. Minnesota State offers thousands of academic programs at the lowest tuition in the state. With our 54 campuses located in 47 Minnesota communities, you can choose to continue your educational journey close to home or across the state. We also offer a vibrant array of student life activities and experiential learning options. That's what extraordinary education at an exceptional value is all about.

# Extraordinary Impact

Minnesota State is making a difference. From the students we serve, to our business partners, to those we employ, chances are good you or someone you know has benefited from the work of your state colleges and universities.

**34,000+**

## Minnesota State Graduates' Debt

Fiscal Year 2023

*\*Note the median for all graduates with certificates/diplomas/associate degrees is \$0 as over half did not borrow.*

DEGREE	MINNESOTA STATE GRADUATES WITH NO DEBT	MEDIAN DEBT FOR ALL GRADUATES	MEDIAN DEBT FOR GRADUATES WHO BORROWED
Certificates/Diplomas	65.9%	\$0*	\$9,500
Associate Degrees	55.9%	\$0*	\$14,250
Baccalaureate Degrees	35.8%	\$11,866	\$22,500

**World-class**  
*Education*

# Extraordinary Education

Your state colleges and universities offer more than 4,100 superior academic programs taught by seasoned faculty who know you by name. Take a few classes to retool your skills. Earn a certificate, diploma, or associate degree. Or, start working on or complete your bachelor's, master's, or doctorate. Minnesota State will help you build a plan that's right for you.

## » Move Quickly

Your state colleges offer options that allow you to take classes or earn a certificate, diploma, or associate degree in two years or less.

## » Graduation Options

Start and finish your bachelor's degree at one of your state universities, or complete two years at a state college and transfer to one of your state universities.

## » Work-School-Life Balance

Explore flexible scheduling options, accelerated options, or online classes and programs that work with your schedule and fit into your life.

## » Personalized Attention

Class sizes are small, campuses are friendly, and you are taught by faculty, not teaching assistants.

## » Stay Local or Explore

Minnesota State has 54 campuses in 47 Minnesota communities. Choose the one that is right for you.

## » Retool or Advance Your Career

Check out non-credit, short-term training options designed to help you get quick and specialized training through any Minnesota State continuing education or customized training program.

## » Exceptional Value

Minnesota State offers the lowest tuition in Minnesota, multiple classes and degrees with no cost for books (Z-Degrees), and a first-class education employers respect.

## » Find Your Path

Work one-on-one with staff at any of your colleges and universities to find the program and path that is right for you.

# NORTH STAR PROMISE SCHOLARSHIP

The North Star Promise Scholarship program provides eligible Minnesota residents a tuition-free path to a bachelor's degree. More information available on the [Minnesota State Office of Higher Education \(OHE\) website](#).

## » How to Apply

1. Apply for admission to a Minnesota State college or university —you will need to be admitted to be eligible for the North State Promise Scholarship program.
2. Complete the Free Application for Federal Student Aid (FAFSA) or Minnesota Dream Act Application.

*There is no additional application beyond the FAFSA or Minnesota Dream Act Application. Minnesota State will assess your eligibility on a term-by-term basis and award North Star Promise Scholarships to all eligible students.*

## » Eligibility

To be eligible for the scholarship, students must:

1. Be a Minnesota resident
2. Have a family Adjusted Gross Income (AGI) as reported on the Free Application for Federal Student Aid (FAFSA) or Minnesota Dream Act Application below \$80,000.
3. Attend a Minnesota public higher education institution (including Minnesota State) or Tribal College
4. Not be in default on a state or federal student loan
5. Be enrolled taking at least one credit
6. Meet Satisfactory Academic Progress standards
7. Have not already earned a baccalaureate degree
8. Be enrolled in a program or course of study that applies to a degree, diploma, or certificate

**FREE  
COLLEGE  
TUITION**

*is possible at  
Minnesota State*

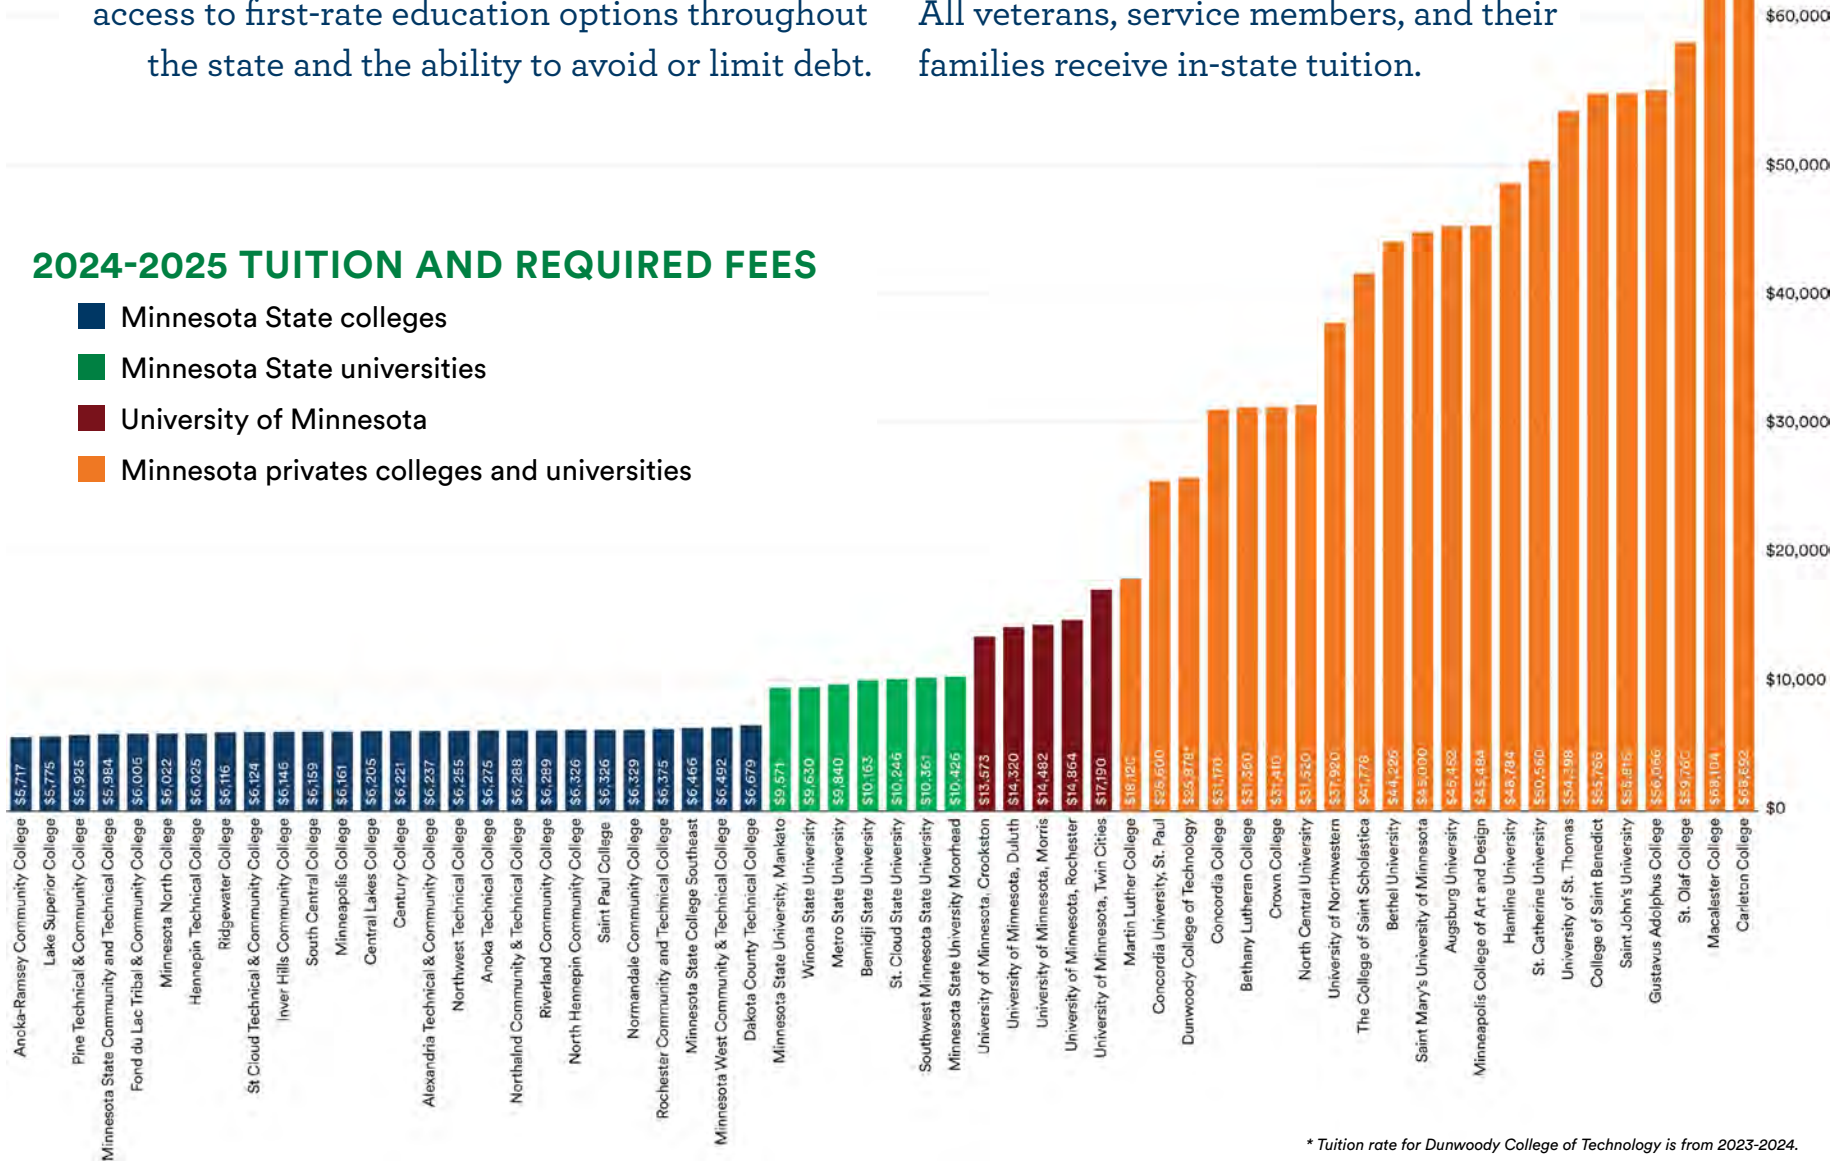

# Exceptional Value

Your 33 state colleges and universities offer the lowest tuition and fees in Minnesota, giving you access to first-rate education options throughout the state and the ability to avoid or limit debt.

**Not from Minnesota?** Most colleges and universities that are part of Minnesota State offer in-state tuition rates to residents of other states. Check with the college or university you wish to attend for details. All veterans, service members, and their families receive in-state tuition.

## 2024-2025 TUITION AND REQUIRED FEES

- Minnesota State colleges
- Minnesota State universities
- University of Minnesota
- Minnesota privates colleges and universities

\* Tuition rate for Dunwoody College of Technology is from 2023-2024.

## Extraordinary Experiences

# STUDENT LIFE

Choosing a state college or university also means you have access to a vibrant social scene. Check out the variety of clubs, organizations, and events. Explore varsity athletics options on [PAGES 57 and 64](#). Learn about study abroad and service learning opportunities available at the college or university you are interested in attending. Or, get involved with student government on your campus or at the state level as part of Students United (*representing Minnesota State university students*) and LeadMN (*representing public community and technical college students*). Learn more at [MinnState.edu/admissions/studentlife.html](https://MinnState.edu/admissions/studentlife.html).

Exceptional Talent

# A BRIGHT FUTURE

Your state colleges and universities are a vital resource to Minnesota employers. Not only do we help prepare students to become talented and skilled individuals, but we also work hand-in-hand with business and industry to develop relevant programs and curriculum.

**GAIN RELEVANT EXPERIENCE.** Employers from across the state work with your colleges and universities to offer internships and job opportunities. These same professionals also serve as advisors who help shape curriculum, obtain equipment, and develop new programs and classes.

Be the talent of tomorrow. Your state colleges and universities award more than 34,000 certificates, diplomas, and degrees each year, and 86 percent of those graduates begin working in their field of study within one year.

**FIND SOLUTIONS TO CHANGING BUSINESS NEEDS.** All 33 state colleges and universities offer non-credit learning options through a network of experienced instructors who work with employers to develop training and education programs that allow employees to thrive in the ever-changing global marketplace and keep skills competitive.

**UPDATE YOUR SKILLS AND KNOWLEDGE WITH CONTINUING EDUCATION.**

Advance your career by gaining new knowledge or skills, retraining, or attaining critical certification and licensures.

# *Transfer* OPTIONS

## Extraordinary Pathways

Starting at a Minnesota State college and considering transfer? Plan now to save time and money later. Check out a few of the transfer programs available through Minnesota State, or visit [MinnState.edu](https://www.minnstate.edu) for details.

---

### WANT TO LEARN MORE?

Your colleges and universities are staffed with many people who can help you find a direction that is right for you. Talk to a transfer specialist, visit a college or university in person, or visit [MinnState.edu/transfer](https://www.minnstate.edu/transfer) to learn more.

# WHAT WILL TRANSFER?

**EXPLORE TRANSFER PATHWAYS:** Minnesota State offers transfer pathways that allow you to complete a specific associate degree and transfer to any of the seven Minnesota State universities.\* If you complete a Transfer Pathway degree at a Minnesota State college and are admitted to a state university, you will be guaranteed junior status and given assurance that all 60 college credits will count toward the related bachelor's degree.\*\* See **PAGE 51** for program details.

**GET TO KNOW THE BACHELOR'S DEGREE PARTNERSHIP PROGRAM:** The seven state universities offer selected bachelor degree programs that can be completed at various community colleges, allowing you to earn your degree from a university without leaving the comfort of the college campus setting. See the complete inventory of degree programs and participating colleges and universities on **PAGE 53**.

**FIND OUT ABOUT OUR TRANSFER AGREEMENT WITH THE TRIBAL COLLEGES IN MINNESOTA:** Minnesota State and the four tribal colleges of Minnesota have developed a partnership that paves the way for seamless transfer between the two-year tribal colleges and any of the Minnesota State universities. Learn more at [MinnState.edu/transfer](http://MinnState.edu/transfer).

## LEARN ABOUT THE MINNESOTA STATE TRANSFER GUARANTEE:

If you complete the Minnesota Transfer Curriculum and earn an associate of arts (AA) degree from any Minnesota State college with a minimum 2.0 GPA<sup>‡</sup>, you are guaranteed admission to any of the seven state universities with junior year status.\*\*

\* Universities within the Minnesota State system include Bemidji State University; Metro State University; Minnesota State University, Mankato; Minnesota State University Moorhead; Southwest Minnesota State University; St. Cloud State University; and Winona State University.

\*\* A student must still meet any special admission requirements for the major and is not guaranteed admission into the major itself.

‡ Winona State University requires a minimum 2.4 GPA for AA degrees to be accepted.

## AA – ASSOCIATE OF ARTS DEGREE

Designed to transfer into liberal arts four-year majors.

## AS – ASSOCIATE OF SCIENCE

Two-year program designed for transfer into a specific four-year major and will likely require completing additional general education courses at a university.

## AFA – ASSOCIATE OF FINE ARTS

Two-year program designed for transfer into a specific four-year major and will likely require completing additional general education courses at a university.

## AAS – ASSOCIATE OF APPLIED SCIENCE

Two-year program for a specific occupation. Not designed for transfer.

(While not primarily designed for transfer, individual colleges and universities may accept these courses.)

## DIPLOMAS AND CERTIFICATES

Industry-driven and defined programming designed for immediate entry into the workplace. Not designed to transfer.

# Exceptional Opportunities

# ACCELERATE *your degree*

**CREDIT FOR PRIOR LEARNING (CPL):** Students who demonstrate college- or university-level learning gained through learning experiences outside the college classroom may be eligible to earn college credit. Examples include military, workplace, and community-based training; professional certifications; national exams such as CLEP, DSST, and AP; World Language Seals; and International Baccalaureate diplomas.

Visit [MinnState.edu/cpl](https://www.mnstate.edu/cpl) to learn more about CPL options at Minnesota State. Select the link to the college or university you are considering for more information.

**POSTSECONDARY ENROLLMENT OPTIONS (PSEO)\*:** PSEO are college courses offered to high school students. The courses are taught by college or university faculty and allow students to earn both high school and college credit for successfully completing the course. Contact your local state college or university for eligibility requirements and information.

**CONCURRENT ENROLLMENT\*:** Students can complete college courses at their high school while fulfilling high school course requirements at the same time. If you are interested in this option, speak to your high school guidance counselor.

**TECHNICAL COURSE OPTIONS\*\*:** Students in 10th grade may take one technical college-level course taught on a college campus. You must

be enrolled in a public school and meet requirements for reading proficiency and other assessments related to the course in which you wish to enroll.

**ADVANCED PLACEMENT (AP) AND INTERNATIONAL BACCALAUREATE (IB) OPTIONS:** AP or IB courses are offered at many high schools and provide a rigorous curriculum that prepares students to take college-level courses. Students who pass an AP test or the IB exam with acceptable scores will be awarded college credit at any Minnesota State college or university.

\* To be eligible for PSEO or concurrent enrollment with a Minnesota State college or university, high school juniors must be in the upper one-third of their class or earn a score at or above the 70th percentile on a test such as the ACT or SAT. Seniors must be in the upper one-half of their class or earn a score at or above the 50th percentile on a test such as the ACT or SAT. Students who do not meet these requirements may still be eligible if they can meet other college readiness standards determined by the college or university. Students in 9th or 10th grade may also be eligible to take PSEO or concurrent enrollment courses if they rank in the upper one-tenth of their class or attain a score at or above the 90th percentile on a nationally standardized, norm-referenced test, or if they have a favorable recommendation from designated high school officials. All high school students enrolling in PSEO or concurrent enrollment, regardless of grade level, must also meet all college course prerequisites.

\*\* A student who first completed technical courses while in 10th grade and wishes to enroll in general education courses as an 11th or 12th grade student must take assessment tests and achieve the required scores prior to enrollment in additional PSEO courses. Learn more at [MinnState.edu/admissions/pseo](https://www.mnstate.edu/admissions/pseo).

# AID AND SUPPORT

Minnesota State promises to provide an extraordinary education that is affordable, accessible, enhances quality of life and ensures prosperous communities. Learn more about the Minnesota State Promise at [MinnState.edu/minnesotastatepromise](https://www.mnstate.edu/minnesotastatepromise)

## Extraordinary Resources

### Financial Resources

**FINANCIAL AID:** The Free Application for Federal Student Aid (FAFSA) is the first step in applying for assistance in financing your college education. Visit [studentaid.gov](https://studentaid.gov) for more information.

**SCHOLARSHIPS:** Scholarships are a great financial resource to students. They typically do not have to be paid back and can help offset tuition and other costs associated with college.

**TAX CREDITS:** Some students may benefit from federal tax credit programs. Consult with a tax professional or visit the IRS website at [irs.gov](https://www.irs.gov).

**Z-DEGREES:** An AA or BA program that exclusively uses course resources with no cost to the student. Visit [MinnState.edu/zdegree](https://www.mnstate.edu/zdegree) to learn more.

### Academic Resources

**ON-CAMPUS ACADEMIC ASSISTANCE:** Most colleges and universities offer services such as tutors, a writing center, a math center, counseling, and more to support you. Contact the college or university you are interested in attending to learn about the resources available.

**TRIO:** Trio provides academic support to students from low-income backgrounds, first-generation college students, and individuals with documented disabilities. TRIO encompasses coaching, mentoring, academic advising, tutoring, and more. Visit [MinnState.edu/admissions/trio.html](https://www.mnstate.edu/admissions/trio.html).

**ACCESSIBILITY SERVICES:** Your state colleges and universities offer accessible facilities and provide accommodations to students with documented disabilities.

**SUPPORT FOR VETERANS AND SERVICE MEMBERS:** Most of your colleges and universities offer services for veterans and service members, including help to identify resources to pay for college, and have received Yellow Ribbon or military-friendly designations. Learn more at [MinnState.edu/military](https://www.mnstate.edu/military).

**CAREER PLANNING:** Check out career services at the college or university you're interested in, or use [MinnState.edu/careers](https://www.mnstate.edu/careers) to explore careers, take an assessment, find programs and courses—including short-term and continuing education options—get tips for a successful job search, and more.

» GET STARTED TODAY!

Contact the college or university you are interested in to meet with staff who can help you find the resources right for you.

# NEXT STEPS

1

Speak to friendly staff at the college or university you are considering.

2

Get to know your state colleges and universities using this guidebook or by visiting [MinnState.edu](https://www.mnstate.edu).

3

Check out the hundreds of programs available on your campuses at [MinnState.edu/programs](https://www.mnstate.edu/programs) or use the program grid found in the “Endless Opportunities” section of this book, starting on [PAGE 51](#).

4

Visit campuses to find the college or university that is the right fit for you.

## READY TO APPLY?

1. **CONTACT OR VISIT** the college or university you are considering to get specific admission requirements.
2. **SUBMIT YOUR APPLICATION.** The state universities typically accept applications in the fall, and the state colleges generally accept applications up until the start of the new semester. Visit [MinnState.edu/admissions/index.html](https://www.mnstate.edu/admissions/index.html).
3. **APPLY FOR FINANCIAL AID** by visiting [studentaid.gov](https://studentaid.gov) and access the Free Application for Federal Student Aid (FAFSA).

4. **LOOK FOR SCHOLARSHIPS** by contacting the college or university you plan to attend for information and resources to begin the scholarship application process.
5. **START PLANNING** to achieve your goals by looking at the academic calendar for the college or university you wish to attend and getting to know staff that can assist you throughout your time on campus.

# 26 STATE COLLEGES

Minnesota State is home to 26 community, technical, and comprehensive colleges. These colleges are a great place to earn a degree and immediately start your career, or you can complete an associate's degree and transfer to earn a bachelor's degree.

**For a complete list of college programs available, visit**  
**[MinnState.edu/programs](https://www.mnstate.edu/programs)**

## INTERESTED?

- » **CHECK OUT THE OPTIONS.** The profile pages that follow provide you a glimpse of all 26 colleges.
- » **VISIT CAMPUS.** The best way to find the college that is right for you is to visit.
- » **UNDERSTAND WHAT YOU NEED TO ENROLL.** Each college has an open admissions policy, meaning you need only a high school diploma or a GED to enroll. If you do not have a high school diploma or GED, you may qualify to be admitted through an approved Ability to Benefit test and may apply to enroll in a career pathway program. Details for program-specific admissions requirements can be found on the website of the college you are considering.
- » **KEEP TRANSFER IN MIND.** If you are thinking about transfer, take note of the pathway options and programs designed to ease the process. Planning ahead may save you time, money, and stress later.
- » **LET OUR STAFF AND FACULTY HELP.** You are strongly encouraged to contact the admissions department and get to know the faculty and staff at the college you plan to attend.

### CAMPUS HIGHLIGHTS

- » Many virtual course delivery options to meet the needs of a wide range of students
- » Choose from over 70 career and technical programs to start earning faster
- » Earn your AA degree without ever buying a commercial textbook with our Z-degree
- » Begin at CLC and save time and money while you work toward a bachelor's degree

- » CLC is a leader in offering online classes, with more than 250 offerings each academic year
- » Learn and live surrounded by lakes and trees in Minnesota's premier vacation destination—the region boasts more than 500 lakes and rivers, as well as beautiful parks and forests
- » 95 percent of CLC graduates find jobs related to their program of study
- » CLC Foundation awards about \$432,000 in scholarships each year
- » Veterans Resource Center offers great resources for all students who are actively serving, veterans, military spouses, or dependents
- » Free tutoring services available for all students, in addition to TRIO Student Support Services
- » Convenient, recently renovated student housing available next to campus
- » Home of the Central Lakes College Performing Arts Center, providing theatre entertainment, and Verse Like Water, a series that brings in world-renowned poets for a reading and craft talk

- » Nine-hole disc golf course located on campus
- » Experience CLC's Culture of Caring with small class sizes, expert instructors who know your name, and staff who go the extra mile to help you succeed
- » Students regularly outscore their peers on state and national skills tests
- » Raider athletics is home to seven NJCAA DIII varsity sport teams and known nationwide for excellence, boasting four national championships
- » Featuring an outdoor recreation hub where students can rent equipment for free, like mountain bikes, kayaks, and snowshoes, and enjoy the region's beautiful natural resources
- » Expanded food pantries on both the Brainerd and Staples campuses, offering students more free healthy food options
- » The Hub, the go-to spot on campus for resources like mental health, community resources, and some medical resources

## STUDENT ACTIVITIES

30+ student clubs, organizations, and activities available in areas such as fine and performing arts, recreation, and career development. Visit [century.edu](http://century.edu) or [MinnState.edu](http://MinnState.edu) for a complete list.

## CAMPUS HIGHLIGHTS

- » **Affordable Education:** Century College makes earning your degree financially accessible. With competitive tuition rates, financial aid, and numerous scholarship opportunities, students can pursue their education without debt
- » **Transfer Opportunities:** Our diverse transfer options can help students save significantly on a bachelor's degree. We offer seven associate in arts degrees, three associate in fine arts degrees, 18 Minnesota State Transfer

Pathways degrees, and hundreds of general education courses across the liberal arts and sciences

- » **Immediate Career Entry:** Prepare for employment in high-demand fields with 33 associate in applied science degrees, 24 diplomas, and 55 certificates, spanning areas such as applied design, business, health sciences, human services, STEM, and trade and industry
  - » **Flexible Learning Options:** Maintain a work-life balance with our flexible course offerings. Century College provides multiple start dates and class formats, including online, multi-modal, hybrid/blended, daytime, evening, and part-time schedules, and credit for prior learning opportunities
  - » **State-of-the-Art Facilities:** Learn in modern classrooms and labs with the latest technology, including an Applied Technology Center and specialized labs for digital fabrication, solar and renewable energy, orthotics and prosthetics, and health sciences simulation
  - » **Comprehensive Student Support:** Receive personalized support through innovative services to enhance academic and personal growth, including advising, tutoring, career counseling, wellness, veteran, disability, technology services, and an on-campus student resource center
  - » **Vibrant Campus Life:** Engage in various activities and organizations. Students can participate in collegiate athletic teams,
- student clubs, campus recreation, arts and theater experiences, discipline-specific competitions, guest speakers, and dedicated LGBTQ, Veterans, and Multicultural Centers
- » **Strong Community Ties:** Benefit from robust community and business partnerships that enrich our academic curriculum and provide real-world experiences. Opportunities include internships, service learning, and career exploration to enhance learning and career prospects
  - » **Continuing Education:** Whether enhancing job skills or retraining for a new career, our Continuing Education and Customized Training department offers a broad range of non-credit, short-term courses tailored to meet ongoing professional and personal development needs
  - » **Committed to Student Success:** As a proud Leader College and member of Achieving the Dream since 2011, Century College actively participates in this national, nonprofit network, advocating for evidence-based institutional improvements and innovative strategies to address equity gaps and enhance student success

## PROGRAM HIGHLIGHTS

Find your passion and build your future at Inver Hills Community College, where all students belong. Our campus supports your learning by focusing on inclusion, equity, and student success.

Located less than 10 miles south of St. Paul, Inver Hills offers nearly 40 programs, including: accounting, biology, climate change studies, computer science, criminal justice, culturally responsive professional peace officer, emergency medical services, engineering fundamentals, environmental science,

individualized professional studies, network technology and security, nursing, paralegal, pre-social work, project management, psychology, social justice studies, Spanish, and more including college credit while in high school (Concurrent Enrollment and PSEO).

## STUDENT ACTIVITIES

25+ student clubs, organizations, and activities available in areas such as music, theater, culture, and student leadership. Visit [inverhills.edu](http://inverhills.edu) or [MinnState.edu](http://MinnState.edu) for a complete list.

## CAMPUS HIGHLIGHTS

- » Why Inver Hills? Inver Hills offers the perfect setting for students looking for a balance of personal attention and opportunities to get involved. With a variety of different academic programs and a low faculty-to-student ratio,

Inver Hills students know their instructors and fellow students

- » Inver Hills prepares students for career success through challenging courses, access to internships and community-based learning, and career development support along the way
- » Inver Hills offers the only Social Justice Studies AA in the Minnesota State system
- » Committed to student success, Inver Hills provides a variety of services, including advising, counseling, financial aid, food and basic needs resources, tutoring, and more, with in-person and online support
- » From day one students are set up for success with programs, including New Student Orientation and First Year Experience courses and/or communities
- » Financial aid and scholarships help thousands of students per year reach their goals while reducing their student loan debt

» Student life and student clubs offer opportunities to be involved and take leadership roles on campus

- » A broad range of adult learner services, including possible credit for lived work experience, part-time scheduling options, online tutoring, and more
- » Nestled into the hills of Inver Grove Heights right off Highway 52, our beautiful campus features multiple ponds and a community garden
- » Inver Hills students are prepared to transfer to the four-year college of their choice. Students can go anywhere with easy credit transfer and advising from Inver Hills' well-connected team

### DEGREES OFFERED

Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate, Diploma

### PROGRAM HIGHLIGHTS

LSC has over 90 program offerings, including allied health and nursing, auto service technology, aviation, cybersecurity, dental hygiene, EMT, fire technology and administration, integrated manufacturing, liberal arts and sciences, business administration, physical therapist assistant, truck driving, and much more.

### SPECIAL OPTIONS

- » LSC collaborates with many four-year institutions, including Bemidji State University; Metro State University; St. Cloud State University; Minnesota State University,

Mankato; Southwest Minnesota State University; The College of St. Scholastica; the University of Minnesota-Duluth; and the University of Wisconsin-Superior, to provide seamless pathways for students to transition to four-year degree programs

- » LSC partners with area high schools for the Postsecondary Enrollment Options (PSEO), and the College in the Schools (CIS) programs
- » LSC serves as a regional Economic Opportunity Center through the U.S. Department of Education to help marginalized individuals plan for and attend college
- » Z-degree programs, with zero textbook costs. LSC's associate of arts (AA) and Minnesota Transfer Curriculum (MnTC) programs have no-cost textbooks available

### STUDENT ACTIVITIES

Student clubs, organizations, and activities are available in areas such as arts, recreation, intercollegiate athletics, student leadership, and career development. Visit [lsc.edu](http://lsc.edu) or [MinnState.edu](http://MinnState.edu) for a complete list.

### CAMPUS HIGHLIGHTS

- » Athletics programs include intercollegiate men's and women's soccer and co-ed play target
- » On-site specialized veterans services available through the Veterans Resource Center, Higher Education Veterans Program, and Minnesota Department of Veterans Affairs
- » Designated as a 2024 Center of Excellence (CoE) for Domestic Maritime Workforce Training and Education
- » LSC offers Transfer Pathway programs in art, biology, chemistry, communication, criminal justice, economics, English, exercise science, health sciences, history, mathematics, psychology, and sociology. These programs are designed to help students complete an associate degree at LSC and earn a bachelor's degree at one of our Minnesota State universities
- » LSC participates in the Inside-Out Prison Exchange Program, which brings together campus-based students with incarcerated students for a semester-long course held

at the Duluth Federal Prison Camp. Lake Superior College is just one of four colleges/universities in Minnesota to be part of the program and the only higher ed institution in the state that incorporates it within a degree program

- » LSC's numerous community partnerships include connections with local, regional, and state agencies and nonprofits through workforce development grant-sharing and customized training and active advisory councils for technical and allied health programs
- » Hangar facilities for the Center for Advanced Aviation at the Duluth International Airport house both LSC's professional pilot and aviation maintenance technician programs
- » The Emergency Response Training Center provides world-class training for emergency response professionals
- » The college provides dental hygiene, massage therapy, and physical therapy services to students and uninsured residents of the region through faculty-supervised student clinics
- » Students can apply for scholarships held by the LSC Foundation each April and October

Eight schools within the college provide simplicity in choosing a major and guidance for which courses to take first to save time and money; programs within these schools include biology, psychology, theater, business, liberal arts, nursing, and more.

### STUDENT ACTIVITIES

70+ student clubs, organizations, and activities available. Visit [minneapolis.edu](http://minneapolis.edu) or [MinnState.edu](http://MinnState.edu) for a complete list.

### CAMPUS HIGHLIGHTS

- » Nationally accredited programs in high-demand fields
- » Courses are taught by industry experts, committed to student success
- » Students from around the world who represent a broad range of ages and backgrounds
- » One of the most diverse college campuses in the state
- » Small class sizes allow students to connect with faculty and classmates
- » State-of-the-art technical, science, and world language labs
- » Award-winning Student Resource Center

- » Minneapolis College collaborates with many four-year institutions, including Metro State University, Augsburg University, and the University of Minnesota, to provide seamless pathways for students to transition to four-year degree programs
- » An anchor partner in the Cedar Riverside Opportunity Center and 800 W. Broadway, a collaboration between public sector and private nonprofit partners to provide access to educational, workforce, and career pathway services to the community
- » A 1.3 million square foot campus located on the edge of downtown Minneapolis along the arts corridor
- » The Academic Success Center offers a state-of-the-art learning environment to enhance student success
- » Offering a variety of low-cost specialized certificates and programs that you can complete in as little as five weeks
- » All services at the Boynton Student Health Clinic are covered by the Student Life fee and are provided at no cost to students
- » About half a million dollars awarded to students last year in scholarships and emergency assistance through the Minneapolis College Foundation
- » Offering Last Dollar Scholarships that cover the remaining cost of tuition that financial aid does not cover
- » Instructors are frequently recognized by Minnesota State as Outstanding Educators, including nine faculty receiving the top award, Educator of the Year, in 2016–17, 2017–18, 2019–20, 2020–21, 2021–22, 2022–23, and 2023-24
- » Dual credit programs are an opportunity for high school students to earn college credit while working toward their high school diploma
- » Known for meeting students where they are on their academic journey and standing alongside them if they need assistance, including counseling, food, housing assistance, recovery services, parenting resources, and more

## DEGREES OFFERED

Associate of Applied Science, Associate of Science, Certificate, Diploma

## PROGRAM HIGHLIGHTS

Nursing (Practical Nursing, LPN Step-In Track, RN), dental assisting, community health worker, health sciences, medical coding, automotive service and performance, electrical construction & maintenance, plumbing technology, heating, air & refrigeration technology, accounting, business, business foundations, management & entrepreneurship, sales, marketing & management, human resources, administrative assistant, early childhood education, gerontology, and cosmetology

## STUDENT ACTIVITIES

Numerous student clubs, organizations, and activities available. Visit [ntcmn.edu](http://ntcmn.edu) or [MinnState.edu](http://MinnState.edu) for a complete list.

## CAMPUS HIGHLIGHTS

- » Academic programs, both on campus and online, closely match career opportunities
- » All nursing programs include lecture courses online with in-person, hands-on labs
- » State-of-the-art technology resources and labs offer students an in-depth, hands-on learning experience
- » Labs for programmable logic controls, automotive, nursing, and commercial refrigeration all received significant upgrades in 2020

- » Most NTC students spend four hours in hands-on labs for every one hour spent in lectures
- » Dental assisting (Commission on Dental Accreditation) and nursing (Accreditation Commission for Education in Nursing) programs are fully accredited
- » Programs are guided by industry partners through active and engaged program advisory committees
- » Students experience personal attention, small classes, supportive faculty, and well-equipped labs, as well as abundant parking and an on-campus café
- » Students are enabled to succeed in both the classroom and workplace through support from the Student Success Center, which offers tutoring, library assistance, academic coaching, career services, and academic advising
- » Through a partnership with Bemidji State University, students can live in BSU student housing and enjoy the benefits of an on-campus college experience
- » Internships and hands-on experiences are woven into program requirements, ensuring that students graduate with the skills they need to succeed
- » “The Roost” is a comfortable student lounge that provides a casual spot to relax, play a game, study, or just hang out and socialize
- » A lively and engaging Student Success Center which connects NTC students with a variety of services and support to ensure their academic success. The center offers test proctoring, tutoring, free social activities, and more
- » Students can join leadership organizations such as NTC Student Senate and program-specific organizations such as student-led clubs for automotive, child education and nursing
- » Nearly all students who use NTC’s tutoring services eventually pass their classes, and most receive grades of A or B
- » The Center for Diversity, Equity, & Inclusion and American Indian Resource Center support students through events and programming meant to increase both the understanding of diversity, equity and inclusion and appreciation for its benefits

## PROGRAM HIGHLIGHTS

RCTC offers nearly 70 programs in 10 academic pathways, including liberal arts and sciences, aviation pilot, nursing, health information technology, business, accounting, cardiovascular invasive specialist, cancer registry management, clinical neurophysiology technology, radiography, Magnetic Resonance Imaging (MRI), dental hygiene, environmental science, histology technician, intensive care paramedic, surgical technology, veterinary technology, mass communication, peace officer, and many more. Several programs hold national certifications and accreditations. Visit [rctc.edu](http://rctc.edu) or [MinnState.edu](http://MinnState.edu) for a complete list.

## STUDENT ACTIVITIES

The College features dozens of student clubs, organizations, and activities, including student government, special interest groups, honor societies, and service organizations. RCTC is home to eight varsity athletic teams, including football, baseball, wrestling, men's and women's basketball, volleyball, softball, and soccer. Find out more about RCTC's athletic teams and opportunities at [rctcyellowjackets.com](http://rctcyellowjackets.com).

The College also offers several performing and fine arts opportunities for students including theatre productions, vocal and instrumental music programs, and an art gallery for student exhibitions. For a full list of student organizations, clubs, and events, visit [rctc.edu](http://rctc.edu) or [MinnState.edu](http://MinnState.edu) for a complete list.

## CAMPUS HIGHLIGHTS

- » Founded in 1915 on a motion by Dr. Charles Mayo (co-founder of the world-renowned Mayo Clinic) to the Rochester School Board, RCTC is Minnesota's oldest public two-year college and one of the nation's oldest original community colleges
- » 518-acre campus with 20 buildings, including the Rochester Regional Stadium which features an inflatable bubble used during winter months
- » Rochester is one of the nation's "Most Livable Cities," the third-largest city in Minnesota, and home to Mayo Clinic and IBM Rochester
- » RCTC offers more than 350 online classes and over 70 academic programs with more than 90 credential options
- » Innovative academic partnership with Mayo Clinic—with six collaborative programs offered, including cardiovascular invasive specialist, clinical neurophysiology technology, histology technician, intensive care paramedic, radiography, and MRI
- » Multiple articulation and transfer agreements with four-year universities, so RCTC credits will seamlessly transfer

- » The College has partnerships with dozens of local organizations, including Rochester Public Schools/CTECH and P-TECH, Mayo Clinic, Olmsted Medical Center, Rochester Area Chamber of Commerce, plus many more
- » RCTC Foundation awards over 400 scholarships totaling more than \$500,000 to RCTC students
- » Access to support services, including student health clinic, mental health practitioners, Hive Supply food cupboard, student emergency fund, winter clothing closet, plus much more
- » Beyond the Yellow Ribbon distinction for offering student veterans resources and support services

Student organizations, interest groups, and honor societies with a focus on culture, student leadership, and career development. Visit [SaintPaul.edu](http://SaintPaul.edu) or [MinnState.edu](http://MinnState.edu) for a complete list.

## CAMPUS HIGHLIGHTS

- » 59 percent of students are first-generation college students
- » 87 percent of graduates find related jobs within one year of graduation
- » A student-centered experience with comprehensive support services, including free tutoring and computer labs, pathway and transfer advising, the TRIO Student Support Services Program, and career services, prioritizing your success at every step
- » 400+ business and industry partnerships benefit students through scholarships, state-of-the-art equipment and product donations, internships, and immediate employment for graduates
- » 43 percent of graduates continue their education by transferring to over 230 four-year colleges and universities
- » 1,100+ high school students are enrolled in Postsecondary Enrollment Options (PSEO), Career Pathways Academy, concurrent enrollment, and other college readiness programs

- » Cutting-edge Electric Vehicle (EV) and Hybrid Training Lab, pioneering sustainable automotive education
- » Home to MinnPoly, the first and only polytechnic in Minnesota, a unique partnership with Minnesota State Mankato
- » 5,000-square-foot Culinary Arts Lab, one of the largest in the state
- » Atomic Force Microscopes—premiere nanotechnology instrumentation
- » High Tech Clean Room—conduct sterile dust-free research
- » Saint Paul College's esthetician program is a CIDESCO school—one of only 11 colleges in the U.S. and the only college in Minnesota with this internationally recognized esthetics credential
- » Supply chain logistics AAS degree program is ACBSP-accredited—the only associate degree program of its kind in Minnesota
- » Simulation Center with specialized training rooms: ICU, isolation, long-term care, medical surgical, operating room, and pharmacy clinic

## PROGRAM HIGHLIGHTS

South Central College (SCC) offers a wide variety of Transfer, Career-Ready and Customized Workforce Education programs. Transfer options enable students to start their four-year bachelor's degree at SCC before transferring to a university. Some students opt to take specific Minnesota State Transfer Curriculum courses to satisfy some of their university general education requirements. Others choose to earn their full two-year associate degree at SCC, which enables graduates to transfer to a university as a junior. These associate programs include associate of arts and a variety of specialized Minnesota

State Transfer Pathway associate degrees. Career-Ready programs prepare students to start or advance in a rewarding field as soon as they graduate, with the option to continue their education while working. SCC's Customized Workforce Education division offers specialized, short-term career training programs to help organizations train their employees and help individuals grow in their current field or pursue a new occupation.

## STUDENT ACTIVITIES

SCC provides students with growth opportunities inside and outside the classroom, offering student life activities to nurture the whole person. Student clubs and organizations include Active Minds, African Student Association, Campus Activities Board, Dental Assisting Club, Diversity Club, Film

Club, Leadership Learning Academy (LLC), Multicultural Student Association, Phi Theta Kappa, Postsecondary Agricultural Student Organization, PRIDE, SkillsUSA, Student Nurses Association, and Student Senate. Visit [southcentral.edu/studentlife](http://southcentral.edu/studentlife) or [MinnState.edu](http://MinnState.edu) for a complete list.

## CAMPUS HIGHLIGHTS

- » New options for the 2024-25 school year include two new programs (psychology transfer pathway and surgical technology), three specialized associate degrees in early childhood education, updated associate degree in machine tool technology, and two focused certificates in the graphic communications program
- » SCC supports students with services that drive success from tutoring to on-campus social workers
- » The college is accredited by the Higher Learning Commission, with seven programs having additional industry accreditations
- » A diverse student body enriches the educational experiences of all
- » Contributions from industry partners have helped fund state-of-the-art agribusiness, health sciences, nursing assistant, and welding labs on SCC's North Mankato campus as well as future infrastructure solutions and surgical technology labs
- » 100 Career-Ready awards and degrees are available in the following program areas: agriculture, arts and communications, building and design, business, education and human services, health sciences, manufacturing, and transportation
- » Eight Minnesota State pre-bachelor's degree options are offered including a general Associate of Arts degree and seven Minnesota State Transfer program associate degrees in biology, business, communication studies, early childhood education, economics, pre-social work and psychology (new in fall 2024)
- » Short-term, career-relevant training is provided to approximately 12,000 individuals each year through SCC's Customized Workforce Education division
- » \$500,000+ in scholarships are distributed to students each year from the SCC Foundation
- » SCC has strong relationships with area businesses that provide students with internships and apprenticeships while in school and permanent employment after graduation
- » SCC is a Leader College of Achieving the Dream (ATD), a network of 300+ colleges committed to helping students achieve their goals, advancing equity, and supporting student success at their institutions and throughout their communities

## DEGREES OFFERED

Advanced Technical Certificate, Associate of Applied Science, Associate of Arts, Associate of Science, Certificate, Diploma

## PROGRAM HIGHLIGHTS

Liberal arts and sciences, PSEO, cardiovascular technology, culinary arts, diesel mechanic, early childhood and elementary education, mechanical design engineering technology, network administration, water environment technologies

## SPECIAL OPTIONS

**Transfer Degree Programs** – Liberal arts & sciences AA, biology transfer pathway AS, business transfer pathway AS, psychology transfer pathway AA, elementary education foundations transfer pathway AS, mathematics

transfer pathway AA, Spanish transfer pathway AA, special education transfer pathway AS, environmental science AS. Transfer Pathways are designed to fully transfer to Minnesota State universities that offer the bachelor's degree. Environmental science transfers via articulation agreements.

**Short-term Certificates** – SCTCC offers learning options for less than 20 credits: coaching, early childhood education, and green energy

**Online Programs** – SCTCC offers six programs completely online: AA, business, computer programming, finance, health information technology/medical coding, and psychology.

**Advanced Manufacturing Center** – The Advanced Manufacturing Center offers

community collaboration and supports cross-training across SCTCC's manufacturing programs. Area employee training and an increase in graduates will support the needs of area manufacturers for high-demand jobs in manufacturing.

**Practical Nursing Career Grant Pathway** – With US congressionally directed spending of nearly \$1 million, 54 additional students over three years will be able to earn a practical nursing degree tuition-free. Starting fall 2024, the pathway is for refugees, children of refugees, and resident aliens. Class sizes are small, and students receive additional supports and coaching.

## STUDENT ACTIVITIES

More than 25 student clubs, organizations, and activities. The SCTCC Cyclones participate in five intercollegiate sports: volleyball, men's and women's basketball, baseball, and softball. The Cyclones are members of the Minnesota College Athletic Conference (MCAC) and the National Junior College Athletic Association (NJCAA). The Cyclones regularly rank in NJCAA polls and compete at the national level. Students in auto body, automobiles, medium/heavy truck, HVAC/R, electrical, and culinary compete in SkillsUSA competitions and consistently

place at the state level to move on to national competitions. Visit [sctcc.edu/campus-life](http://sctcc.edu/campus-life) or [MinnState.edu](http://MinnState.edu) for a complete list.

## CAMPUS HIGHLIGHTS

- » 99 percent of SCTCC grads available for work find jobs in their fields
- » Student services include a Multicultural Center, Cyclones Cupboard food pantry, Wellness Resource Services, mental health professional, tutoring, and Career Services
- » Students know their instructors with small class sizes: average of 18 students per class
- » Cutting-edge simulation labs featuring equipment used in area industries
- » Highly involved advisory boards mean SCTCC is aligned for area industry needs
- » In 2022, more than \$290,000 in scholarships was awarded to 450 students
- » Child care facility on campus
- » Beyond the Yellow Ribbon Company designation for service member and military family support

## VISIT

Schedule a visit with our admissions team for a campus tour or to learn more about your program of interest today at [sctcc.edu/visit](http://sctcc.edu/visit).

# 7 STATE UNIVERSITIES

Seven state universities are part of Minnesota State. Each provides an excellent pathway to earning your bachelor's degree or beyond and can help you launch your career.

**For a complete list of undergraduate and graduate programs available, visit [MinnState.edu/programs](https://www.mnstate.edu/programs)**

## INTERESTED?

The seven state universities will generally accept you as a first-year student if you can answer YES to at least one of these questions:

- » Did you graduate in the top half of your high school class?
- » Did you receive a combined score of 1,000 or higher on the SAT standardized test, or a corresponding score on the redesigned SAT standardized test?
- » Did you score 21 or higher on the ACT standardized test?

Were you able to answer YES to one of the above questions and are you planning on attending a Minnesota State university?

- » **CHECK OUT THE OPTIONS.** The profile pages that follow provide you a glimpse of the seven state universities.
- » **KNOW THE ADMISSION REQUIREMENTS.** Some state universities may have slightly different admission requirements. Check with the admissions office at the university you are interested in for details. If you do not meet the minimum admission requirements, you may be considered for admission under special provisions.
- » **ASK QUESTIONS AND VISIT CAMPUS.** There's no better way to figure out which university is the right fit. Contact a member of the university's admissions office to set up a visit.

## CAMPUS HIGHLIGHTS

» **Successful** – 97 percent of WSU graduates are hired in their field or pursue further education

» **Affordable** – WSU is one of America's 100 Best College Buys, and 97 percent of first-year students benefit from financial aid

» **Sustainable** – with the largest campus solar panel system, WSU is the most energy efficient university in Minnesota State. The LESS project cuts WSU's annual carbon footprint by 25 percent

» **Beautiful** – scenic bluffs and the Mississippi River are in WSU's backyard, meaning rock climbing, kayaking, and more are nearby

» **Competitive** – WSU is home to 14 NCAA Division-II and one Division-III varsity teams

- » **Supportive** – the WSU community goes above and beyond to ensure student success. With small classes taught by expert faculty, students get direct support
- » **Healthy** – with a full-service fitness center, the largest university climbing wall in the Midwest, and on-campus mental health services, WSU is dedicated to holistic health
- » **Connected** – WSU students receive a fully equipped laptop with full-service tech support
- » **Hands-on** – students can intern with some of the region's most prestigious organizations and use what they've learned to help others in their community
- » **Trusted** – WSU is the oldest member of Minnesota State and has earned the #1 student success and graduation rates in the system
- » **Lively** – Winona's thriving arts and music scenes provide entertainment that fits students' budgets

## VISIT

Visiting campus is the best way for you to decide if WSU is the right fit for you. Connect with an admissions counselor and tour campus in person or online. Learn more at [winona.edu/visit](http://winona.edu/visit).

# INTERCOLLEGIATE ATHLETICS – COLLEGES

Athletics programs at our colleges provide opportunities for many student-athletes to compete in their favorite sports and for all students to participate as fans and to show their school spirit! To learn more about the opportunities and affiliations at a particular institution, please visit its website.

# 124

different athletic teams are offered  
across 16 different sports at our  
participating colleges.

# INTERCOLLEGIATE ATHLETICS – UNIVERSITIES

Student-athletes attending Minnesota State universities have remarkable opportunities to join elite, nationally competitive programs. The Northern Sun Intercollegiate Conference, one of the nation's premier NCAA Division II leagues, counts six Minnesota State universities among its 16 members. And, three of our universities sponsor NCAA Division I ice hockey. To learn more about the opportunities and affiliations at a particular institution, please visit its website.

# TRANSFER PATHWAYS

Minnesota State Transfer Pathways make it easy to complete a specific associate degree at a Minnesota State college and transfer to a Minnesota State university to earn a bachelor's degree without losing credits or taking extra courses.\* Transfer Pathways can be a great way to save time and money as you work toward graduation. For a complete list of the Transfer Pathways programs available, visit [MinnState.edu/pathways](https://www.minnstate.edu/pathways).

\*Students must meet special admission requirements for the major and are not guaranteed admission into the major itself. Call or visit the college or university you're interested in to learn more.

# Bachelor's Degree Partnership Program

The state universities offer a selection of bachelor's degree programs that can be completed at some two-year colleges. To learn more about the opportunities at a particular institution, please visit its website.
