DULUTH

**RENOVATES:** 27,900 GSF  
**DEMOLISHES:** 1,670 GSF  
**CONSTRUCTS:** 12,360 GSF

**DEFERRED MAINTENANCE REDUCTION:** \$2.5 million

## SUMMARY

- » Designs the renovation and construction of spaces to accommodate integrated manufacturing programs
- » Eliminates costly leased space and renovates underutilized campus classroom space
- » Impacts students in high-demand computer-aided design, machine tool, welding, electronics, and civil engineering programs
- » Expands manufacturing programs
- » Creates rightsized labs with updated technology and equipment

## STUDENT IMPACT

**Improves and expands learning spaces** for the integrated manufacturing program by relocating program back to main campus for greater access to Lake Superior College’s student services, student community, housing, and interdisciplinary collaboration. Further enhances student tours, recruitment efforts, community and industry collaboration, and outreach efforts at a more prominent and visible location on main campus.
