

# **System-wide Sustainability Work Group Agenda**

Tuesday, August 22, 2017 - 10:00-10:30 a.m.

## **1) Brief Intro/Background**

- a) See current newsletter and May edition

## **2) Campus News**

- a) Success stories: what energy and/or water efficiency projects have you tackled this summer?
- b) Challenges
- c) What do you need help with?

## **3) Grant and Rebate Opportunities**

## **4) News from the State of Minnesota**

- a) Legislative year-end wrap up
- b) Office of Enterprise Sustainability update

## **5) In Depth: Behavior-Based Initiatives**

- a) How eco-conscious are your students, faculty and staff?
- b) What have you done to engage your students, faculty and staff in campus solid waste reduction, energy and water efficiency, etc.?
- c) What are your thoughts on a system-wide behavior campaign? (For example, see UMN "It All Adds Up" campaign here: <https://italladdsup.umn.edu/>)

## **6) Next Call: November 21**

- a) Future calls: February 27, 2018
- b) Send issues, topics, or questions any time
