

Alexandria Technical & Community College

ADDENDUM NO. #1

**SUBJECT: Request for Formal Bid (RFB) for
Truck Driving Training Simulator**

The Proposal due date of Thursday May 13, 2021
at 3:00 pm will not change as a result of this
Addendum.

DATE: April 23, 2021

TO: All interested responders

FROM: David Bjelland

Questions and Response

The following questions and clarifications were provided:

1. Please define or expand on what you mean by *“include information about multiple unit discounts offered, if any.”*

The truck driving program would like purchase up to four simulators, but at this time there may be a real opportunity that ATCC may purchase two.

2. Can bids be made via an emailed secure pdf file?

Sorry to say that we will not be able to accept a bid by secure pdf nor email. The main reason is that I won't be able to prove when I opened the “secure pdf”/bid and that I did not potentially share your bid other vendors. The bid laws and our procedures dictate that all sealed bids are required to be opened in a public setting with at least two individuals in the room.
