SECTION I. GENERAL INFORMATION

Background

With 30 community and technical colleges and seven state universities, Minnesota State is the largest provider of higher education in the state of Minnesota. Minnesota State’s 54 campuses, conveniently located in 47 Minnesota communities, serving 350,000+ students. Fifty-eight percent of the state’s undergraduate students attend a Minnesota State college or university. It is the third-largest system of higher education in the country. For more information about Minnesota State Colleges and Universities, please view its website at https://www.minnstate.edu/.

Dakota County Technical College endeavors to serve students within nearby communities, as well as those coming from countries around the world. The majority of students work toward degrees and diplomas in a variety of programs to prepare them for employment. However, the college is also proud of its general education department, whose courses are part of the Minnesota Transfer Curriculum. As members of a student-centered organization, all employees, faculty members and administrators are focused on ways to continuously improve student learning within the college’s mission. Along the way, DCTC has become a leader in delivering sustainable technologies, service-learning opportunities, and community engagement into the curricula of most programs. For more information about Dakota County Technical College, please visit our website at www.dctc.edu

Purpose of this Request for Proposal

The Minnesota State Board of Trustees, on behalf of Dakota County Technical College, hereafter referred to as the “Owner”, is soliciting proposals from interested, qualified consultants, and intends to retain a professional consulting firm to provide Architectural/Engineering and Interior Design services, hereafter referred to as the “A/E”, to assist with the design and/or construction coordination of the described facilities improvement(s), hereafter referred to as the “Project”. This RFP is undertaken by Dakota County Technical College pursuant to the authority contained in provisions of Minnesota Statutes § 136F.581 and other applicable laws.

The purpose of this Request for Proposal (RFP) is to evaluate and select an A/E to assist the Owner in the performance of its obligations and enforcement of its rights during the design and/or construction of the DCTC-20-Security & Video Surveillance Upgrade Project located at Dakota County Technical College, Rosemount, Minnesota.

The A/E shall work with the Owner’s appointed Project Manager, the Owner’s System Office Program Manager, the Owner’s Project Representative, related consultants and the construction contractor(s) to administer the design and/or construction contract(s) on behalf of the Owner to assure that the Project is designed and constructed in accordance with the Minnesota State Design Standards and the Contract Documents and that the Project is completed on schedule, on budget and to a level of quality commensurate with the Owner’s requirements.

Definitions

Wherever and whenever the following words or their pronouns occur in this RFP, they shall have the meaning given here:
A/E: Architect or Engineer licensed in the State of Minnesota.

Minnesota State: State of Minnesota, acting through its Board of Trustees of the Minnesota State Colleges and Universities on behalf of Dakota County Technical College.

Minnesota State system office: The central system office of Minnesota State Colleges and Universities located at Wells Fargo Place, 30 7th Street East, Suite 350, St. Paul, Minnesota.

Owner: The State of Minnesota, acting through its Board of Trustees of the Minnesota State Colleges and Universities, on behalf of Dakota County Technical College.

Vendor: The firm selected by Minnesota State as the successful Responder responsible to execute the terms of a contract.

**Project Information**

**Project Scope and Team**

Dakota County Technical College is requesting proposals to develop plans and specifications for the Security and Video Surveillance Upgrade Project. The project will replace all existing analog cameras with IP cameras and install additional IP cameras in areas not currently covered. Upgrading the existing video surveillance system to an IP Video network. Add camera network equipment throughout the campus as needed to support the IP cameras. Camera network will be separate from the business network. Add surveillance viewing stations with large monitors and Video Management Software for monitoring all cameras. The scope of work includes design through construction administration with total fee requested in response to this Request for Proposals.

Key features of the project include:

- Replacing current analog cameras with IP Cameras and adding IP cameras to new locations not currently covered by existing cameras as identified by Owner.
- Upgrading existing video surveillance system to an IP Video network and adding upgrading network head-end camera equipment.
- Adding surveillance viewing stations with large monitors and Video Management Software for monitoring all cameras.

The project will be constructed in one (1) phase. The Owner intends to use the Design/Bid/Build delivery method for this project.

**Project Budget and Fees**

The estimated cost of construction is $430,000. The estimated FF&E budget is $150,000.

The design fee for all Basic and Supplemental Services is estimated to range from 6% - 12%. Final total fees will be negotiated with the selected Design Team.

The estimated total Project cost is **$694,000**. This cost includes: all professional consultants, Architect/Engineer and Owner’s Representative fees, site investigations and surveys, hazardous materials removals design, construction cost, project management and fees, construction inspection and testing, furniture, fixtures and equipment, contingencies, art and inflation factors. This project is funded by Higher Education Asset Preservation and Replacement (HEAPR) Funds.
Final contract amount will be negotiated with the selected Consultant. The rates provided by the Consultant in response to this RFP may be used by the Owner to add or deduct services to modify the contract as necessary.

Other persons are not authorized to discuss RFP requirements before the proposal submission deadline and Dakota County Technical College shall not be bound by and responders may not rely on information regarding RFP requirements obtained from non-authorized persons. Questions must include the name of the questioner and his/her telephone number and/or e-mail address. Anonymous inquiries will not be answered. If appropriate, a change responding to questions or clarifications may be issued by Dakota County Technical College in the form of addenda to the RFP. All addenda will be posted at http://www.minnstate.edu/vendors/index.html.

Contract

Questions or concerns about the contract should be raised during the RFP stage when all Respondents can see the clarification.

Parties to the Contract

Parties to this contract will be the State of Minnesota, acting through its Board of Trustees of the Minnesota State Colleges and Universities on behalf of Dakota County Technical College and the successful vendor.
**Duration of Offer**

All proposal responses must indicate they are valid for a minimum of thirty (30) calendar days from the date of the proposal opening unless extended by mutual written agreement between Dakota County Technical College and the CONSULTANT. Prices and terms of the proposal as stated must be valid for the length of the resulting Purchase Order.
SECTION II. VENDOR REQUIREMENTS

Required Consultant Team

- Architect licensed in Minnesota for Architectural Services, as applicable – including architectural design, project management and project scheduling that includes assistance with staging concepts for construction, and construction administration.
- Electrical Engineer, licensed in Minnesota

Services Provided by Others

The Owner may contract directly for, or arrange to provide:

- Owner’s Representative
- Hazardous materials survey, design and abatement, as needed

Scope of Services

The selected design team shall review the AIA B101-2017 contract for a full description of responsibilities required of the A/E firm.

Basic Services

Some highlights are as follows:

A. General:

- Evaluate existing buildings’ electrical, low voltage, and telecommunications systems to determine capabilities and design capacities to support the proposed new security and video surveillance system.
- Investigate life cycle costs during the design process. Life cycle cost considerations include but are not limited to: maintainability of materials, and equipment.
- Meet schedule deadlines, provide accurate cost estimating. Quality control and complete, accurate and fully coordinated Contract Documents are an important element of the selected Design Team's services.
- All drawings and specifications shall conform to Minnesota State Colleges and Universities Facilities Design Standards and adhere to all applicable building, life safety, and energy codes.
- The successful vendor shall utilize the Owner’s web-based enterprise project management system (EPMS), called e-Builder. This software includes real time Internet visibility of the Project status, coordination, reporting, and a central location for all Project information. The functionality of this software may include, but is not limited to the processing of: Plan Reviews, contracts, Purchase Orders, Change Orders, Invoices, Applications for Payment, and Requests for Information, Submittals and document management related to the Project. Minnesota State will provide and manage a log-in license for the vendor’s designated Project representative(s) at no cost to the vendor. Minnesota State will provide initial software training to the vendor’s designated Project representative(s) at no cost to the vendor. Except for licenses and initial training,
Minnesota State assumes no responsibility for any real or potential costs associated with the use of this software by the vendor.

B. **Design**: Develop and refine the design to meet Owner’s stated goals and budgeted cost of the work. The selected design team will have all documents and files from the pre-design for their use.
   - Develop design deliverables by phase as described in the Facilities Design Standards located at: [http://www.minnstate.edu/system/finance/facilities/design-construction/resources.html](http://www.minnstate.edu/system/finance/facilities/design-construction/resources.html).

C. **Construction Documents**: Prepare drawings and specifications per the Minnesota State Facilities Design Standards, the Minnesota State Reroofing Design Standards Manual, and the Minnesota State Exterior Masonry Design Standards Manual as minimums, all as applicable.
   - Include Division 0 documents from the Minnesota State Facilities Web site, prevailing wage rates for the county where the work is to be performed from the Department of Labor and Industry web site, and specification sections using CSI format sections as applicable to the specific Project.
   - Provide technical specifications for each division and section that applies to the project. Include a separate title page with signature block for approval, table of contents, drawing schedule, and Division 0 documents.
   - All drawings and specifications necessary to convey the exact scope of the work and the full intent of the design.

D. **Bid & Award**: Coordinate bid dates and times with the campus personnel where the project is located. The campus will advertise the project following Minnesota State’s On-Line Bidding procedures via QuestCDN.
   - Prepare project documents, upload to e-Builder. Review document `DIV00.0001 Instructions for Division 00 Documents Advertised Bids` on the Minnesota State eManual for detailed instructions on the format needed for bidding.
   - Attend Pre-bid meeting and provide meeting notes.
   - Prepare addenda for the Owner to post as applicable.
   - Provide award recommendations to the Owner.
   - Provide a conformed set of documents to the Owner prior to the pre-construction meeting.

E. **Construction Administration**: Pre-construction, Construction (progress), and Pre-Installation Meetings.
   - Attend and document progress meetings. Verify all required permits are obtained by the Contractor. Review and approve submittals, review and approve Contractor’s Applications for Payment, initiate construction change directives and change orders, coordinate with campus personnel and campus schedules.
   - Verify construction conformance with the Contract Documents.
   - Coordinate sub-consultant inspections and testing, if applicable.

F. **Project Closeout**: Conduct inspection(s) for Substantial Completion(s), provide Certificate(s) of Substantial Completion, and written punch list(s). Coordinate and document receipt of warranties, operation and maintenance manuals. Provide record documents as required by the contract. Coordinate Project Final Closeout(s) including verify completion of punch list(s) and final Application for Payment submittal and e-Builder-related processes.
Supplemental Services
Supplemental services are not included in Basic Services but may be necessary to support the project. The Architect shall provide Supplemental services listed below:

- NONE
SECTION III. RESPONSE CONTENTS AND EVALUATION

Scoring Criteria

Criteria described below, based upon the point scale, will be used to evaluate Respondents’ proposal. The evaluation may include requests for additional information, and will focus on the specifics of the Respondent’s response to the RFP and approach. The response to the RFP will be evaluated by the following criteria:

Pass /Fail requirements
Responder’s proposal must be submitted on time.

Attendance at mandatory information meeting.

Company profile – 10 points
The Respondent will submit a company profile. Factors favorable to a Respondent will be stability of the Respondent’s business and greater length of experience that would contribute to the Respondent’s performance on this project. Describe problem-solving successes on a) service and support generally, b) service and support as reflected by quality control, and c) service and support as reflected by use of information technology. Factors favorable to a Respondent are:

• Ability to demonstrate a service and support approach that serves the interests of the Owner on this project.
• A detailed and wide-ranging quality assurance plan for all elements of work the Respondent would perform on this project.
• Sophisticated and state-of-the art information technology in its performance of its project duties.

Project team – 20 points
The Respondent will list the members of its team that will be assigned to the project, their planned responsibilities on this project, and the anticipated percentage of the time of each to be used during specified portions of the project period. The Respondent will attach summary resumes of all team members, stating the years of each with the company, as well as qualifications and special expertise, including specific experience with projects similar to the one that is the subject of this RFP. Highlight individual experience if performed under a previous firm. Factors favorable to a Respondent are the assignment of experienced and highly qualified team members with substantial expertise on similar projects.

Provide a brief statement of the Team’s past or present working relationships. Explain how each separate design sub-consultant will be utilized (e.g. major role during portions of the design, not participating during construction, etc.). Matrix or chart is suggested. For each Team personnel member, provide:

• Name and position in firm, include name of firm.
• Home base (if in a multi-office firm).
• Responsibility on this project.
• Years of experience.
• Relevant recent experience (note if experience is with another firm).
• Registration – List Minnesota Registration numbers for all licensed professionals.
Relevant team experience - 20 points
The Respondent will provide a brief summary of experience with projects of similar nature and scope to the project, specifically stating project description, scale and complexity, and geographic location of each. The summary should include the following:

A. Projects at Minnesota State, 2015 to present.
B. The members of your proposed team for the present project that worked on the previous project and in what capacity.
C. Non-Minnesota State projects completed 2015 to present. The Respondent shall provide as to these projects the name of the Owner and the name of an Owner’s contact person with phone number and email address.

The Owner reserves the right to independently confirm the information provided. The Owner reserves the right to refer to its own references at any time during the RFP process.

Project approach - 25 points
The Respondent should describe its understanding of the project and its approach and methodology. Describe the anticipated difficulties or challenges in providing services to the Owner on this project, how it expects to manage those difficulties or challenges, and what assistance it requires from the Owner for such management. Additionally, the Respondent should describe any special services, product characteristics, or generally other benefit or advantage to the Owner in selecting the Respondent for the project.

Fee - 20 points
Provide a lump sum fee for all basic and supplemental services. Also, list for each of the phases of the project work, the team members by name providing services, their estimated hours and hourly rate. Reimbursement for travel and subsistence expenses actually and necessarily incurred by the Respondent in performance of this contract shall be included within the Respondent’s lump sum fee. The rates listed on the RFP may be used by the Owner to add or deduct services to modify the RFP response or subsequent contract on a per hour or per service basis.

The evaluation for cost of services (excluding reimbursables) will award points according to the lowest fee proposal. The lowest fee proposal will receive the maximum points. Points will be awarded to each of the other proposals by dividing the lowest proposal by each of the other proposal costs. The answer will always be less than 1. Take the answer of the division and multiply by the maximum points. The answer will be the number of points (rounded to the nearest whole number) assigned to the total cost for this Respondent.

Unique Qualifications – 5 points
Describe any unique services or qualifications that may benefit the Owner in the execution of the proposed project.

Preferences – 6 points (extra)
In accordance with M.S. 16C.16, the basis of award is that eligible certified targeted group (T.G.), economically disadvantaged (E.D.), and Veteran Owned small businesses will receive a six percent (6%) preference. Preferences are not cumulative; the total percentage of preference granted on a contract may not exceed the highest percentage of preference allowed for that contract.
Eligible, verified, small businesses currently listed in the Directory of Certified Targeted Group, Economically Disadvantaged and Veteran-Owned Vendors will be eligible for the preference. This directory is located at http://www.mmd.admin.state.mn.us/mn02001.htm. Attach a copy of your firm’s letter indicating certification by the Office of Equity in Procurement, if applicable.

Responders interested in becoming a certified vendor or to verify their T.G. eligibility and certification or E.D. certification, should refer to the state of Minnesota, Department of Administration, Office of Equity in Procurement Division website at https://mn.gov/admin/business/vendor-info/oep/sbcp/, or call the division’s help line at (651) 296-2402.
SECTION IV. ADDITIONAL RFP RESPONSE & CONTRACT

Requirements

Rights Reserved
Notwithstanding anything to the contrary, the Minnesota State Colleges and Universities, or Dakota County Technical reserves the right to:

1. Cancel the Request for Qualifications at any time with no cost or penalty to the State.
2. Reject any and all responses received in response to this RFP;
3. Disqualify any Responder whose submittal fails to conform to the requirements of the RFP;
4. Duplicate all materials submitted for purposes of RFP evaluation, and duplicate all public information in response to data requests regarding the RFP;
5. Select for contract or for negotiations a Proposal other than that with the lowest cost or the highest evaluation score;
6. Negotiate as to any aspect of the Proposal with the selected Responder;
7. Extend the contract, not to exceed a total contract term of five (5) years;
8. Change any provisions in this RFQ by posting Addenda on Minnesota State website; and
9. Waive any non-material deviations from the requirements and procedures of this RFP and waive informalities contained in the RFP.

All costs incurred in responding to this RFP will be borne by the Responder. This RFP does not obligate the Owner to award a contract or complete the project, and the Owner reserves the right to cancel the solicitation if it is considered to be in its best interest.

Insurance Requirements
By submission of a proposal, Responder certifies that it is in compliance with all insurance requirements specified in Article 2.5 of the AIA Document B101-2017 (ST.30) example contract, posted with this RFP. The selected vendor will be required to maintain and furnish satisfactory evidence of insurance for the duration of the contract. A sample insurance certificate (CC.20) can be found on [Minnesota State - eManual Version 2.0 for Vendors](#).

Notice to Vendors and Contractors
As a condition of this contract, CONTRACTOR is required by Minn. Stat. §270C.65 to provide a social security number, a federal tax identification number or Minnesota tax identification number. This information may be used in the enforcement of federal and state tax laws. These numbers will be available to federal and state tax authorities and state personnel involved in approving the contract and the payment of state obligations. Supplying these numbers could result in action to require CONTRACTOR to file state tax returns and pay delinquent state tax liabilities. This contract will not be approved unless these numbers are provided.

If you are an independent contractor, Minn. Stat. §256.998 requires the state to report your name, address and social security number to the New Hire Reporting Center of the Minnesota Department of Human Services unless your contract is for less than two months in duration with gross earnings of less than $250.00 per month. This information may be used by state or local child support enforcement authorities in the enforcement of state and federal child support laws.
Attachment 1: Affidavit of Non-Collusion
All respondents shall complete Attachment A and submit with their response to this request for qualifications.

Attachment 2: Workforce Certification
For all contracts estimated to be in excess of $100,000, Responders are required to complete the State of Minnesota – Workforce Certificate Information page and return it with the response. As required by Minn. R. 5000.3600, “It is hereby agreed between the parties that Minn. Stat. §363A.36 and Minn. R.5000.3400 - 5000.3600 are incorporated into any contract between these parties based upon this specification or any modification of it”. A copy of Minn. Stat. § 363.36 and Minn. R.5000.3400 - 5000.3600 are available on the website http://www.admin.state.mn.us/recs.

Attachment 3: Equal Pay Certification [Required for RFPs anticipated to be in excess of $500,000]
If the Response to this solicitation could be in excess of $500,000, the Responder must obtain an Equal Pay Certificate from the Minnesota Department of Human Rights (MDHR) or claim an exemption prior to contract execution. A responder is exempt if it has not employed more than 40 full-time employees on any single working day in one state during the previous 12 months. Please contact MDHR with questions at: 651-539-1095 (metro), 1-800-657-3704 (toll free), 711 or 1-800-627-3529 (MN Relay) or at compliance.MDHR@state.mn.us.

Attachment 4: Preference Form
In accordance with M.S. 16C.16, the basis of award is that eligible certified targeted group (T.G.) vendor and certified economically disadvantaged (E.D.) vendor will receive a six percent (6%) preference. Preference will only be allowed if the vendor is certified prior to the scheduled submittal date.

Attachment 5: Veteran/Service Disabled Veteran-Owned Preference Form
In accordance with Minnesota Statute §16C.16, subd. 6a, veteran-owned businesses with their principal place of business in Minnesota and verified as eligible by the United States Department of Veterans Affairs’ Center for Veteran Enterprises (CVE Verified) (prior to the solicitation opening date and time) will receive a preference in the evaluation of its proposal (consistent with RFP Section IV., Selection Criteria). Eligible veteran-owned small businesses include CVE verified, certified small businesses that are majority-owned and operated by veterans (pursuant to Minnesota Statute §16C.16, subd. 6a).
Information regarding CVE verification may be found at http://www.vip.vetbiz.gov.
Only eligible, CVE verified, veteran-owned small businesses that provide the required documentation per the form, will be given the preference.

Attachment 6: Architect/Engineer RFP Response Certification Form (On-line only)
In accordance with Minnesota State this attests that the RFP on-line response is accurate, the firm has adequate staff and will enter into the Work promptly, is familiar with and willing to sign the Minnesota State contract(s), the firm has no actual or apparent conflict of interest with the entities of this contract, and no facts or circumstances could give rise to an organizational conflict of interest.

State Audit
The books, records, documents and accounting practices and procedures of the vendor relevant to the contract(s) must be available for audit purposes to Minnesota State and the Legislative Auditor’s Office for six (6) years after the termination/expiration of the contract.
Minnesota Government Data Practices Act

The requirements of Minnesota Statutes § 13.05, subd. 11 apply to the contract. The vendor must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by Minnesota State, its schools and the System Office in accordance with the contract and as it applies to all data created, gathered, generated or acquired in accordance with the contract. All materials submitted in response to this RFP will become property of the State of Minnesota and will become public record after the evaluation process is completed. Pursuant to the statute, completion of the evaluation process occurs when Minnesota State has completed negotiating the contract with the selected vendor. If the vendor submits information in response to this RFP that it believes to be trade secret materials as defined by the Minnesota Government Data Practices Act, the vendor must:

- mark clearly all trade secret materials in its response at the time the response is submitted;
- include a statement with its response justifying the trade secret designation for each item;
- defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the State of Minnesota, Minnesota State, its agents and employees, from any judgments or damages awarded against the State or Minnesota State in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives Minnesota State award of a contract. In submitting a response to this RFP, the responder agrees this indemnification survives as long as the trade secret materials are in possession of Minnesota State.

Minnesota State will not consider the prices submitted by the Responder to be proprietary or trade secret materials.

Conflicts of Interest

The CONSULTANT must provide a list of all entities with which it has relationships that create, or appear to create, a conflict of interest with the work that it is contemplated in this Request for Proposal. The list should indicate the names of the entity, the relationship, and a discussion of the conflict.

Organizational Conflicts of Interest

The responder warrants that, to the best of its knowledge and belief, and except as otherwise disclosed, there are no relevant facts or circumstances that could give rise to organizational conflicts of interest. An organizational conflict of interest exists when, because of existing or planned activities or because of relationships with other persons, a vendor is unable or potentially unable to render impartial assistance or advice, or the vendor’s objectivity in performing the contract work is or might be otherwise impaired, or the vendor has an unfair competitive advantage. The responder agrees that, if after award, an organizational conflict of interest is discovered, an immediate and full disclosure in writing must be made to the respective school’s chief financial officer or the System Office’s Business Manager that must include a description of the action which the vendor has taken or proposes to take to avoid or mitigate such conflicts. If an organizational conflict of interest is determined to exist, the school or System Office may, at its discretion, cancel the contract. In the event the responder was aware of an organizational conflict of interest prior to the award of the contract and did not disclose the conflict to the contracting officer, the school or System Office may terminate the contract for default. The provisions of this clause must be included in all subcontracts for work to be performed similar to the service provided by the prime contractor, and the terms “contract,” “contractor,” and “contracting officer” modified appropriately to preserve the rights of Minnesota State.
Physical and Data Security

The vendor is required to recognize that on the performance of the contract the vendor will become a holder of and have access to private data on individuals and nonpublic data as defined in the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13; and other applicable laws.

In performance of the contract, the vendor agrees it will comply with all applicable state, federal and local laws and regulations, including but not limited to the laws under Minnesota Statute Chapters 13 relating to confidentiality of information received as a result of the contract. The vendor agrees that it, its officers, employees and agents will be bound by the above confidentiality laws and that it will establish procedures for safeguarding the information.

The vendor agrees to notify its officers, employees and agents of the requirements of confidentiality and of the possible penalties imposed by violation of these laws. The vendor agrees that neither it, nor its officers, employees or agents will disclose or make public any information received by the vendor on behalf of Minnesota State and Dakota County Technical College.

The vendor shall recognize the sole and exclusive right of Minnesota State to control the use of this information. The vendor further agrees it shall make no use of any of the described information, for either internal or external purposes, other than that which is directly related to the performance of the contract.

The vendor agrees to indemnify and hold harmless the State of Minnesota, Minnesota State and Dakota County Technical College from any and all liabilities and claims resulting from the unauthorized disclosure by the vendor, its officers, employees or agents of any information required to be held confidential under the provisions of the contract. The vendor must return all source data to the “Authorized Representative” to be identified in the contract.
