Failure by a contractor to implement an affirmative action plan or make a good faith effort shall result in revocation of its certificate or revocation of the contract (Minnesota Statutes §363A.36, subdivisions 3 and 4).

Under the Minnesota Human Rights Act, §363A.36, businesses or firms entering into a contract over $100,000 which have more than forty (40) full-time employees within the state of Minnesota on a single working day during the previous twelve (12) months, or businesses or firms employing more than forty (40) full-time employees on a single working day during the previous twelve (12) months in a state in which its primary place of business is domiciled and that primary place of business is outside of the State of Minnesota but within the United States, must have submitted an affirmative action plan that was received by the Commissioner of Human Rights for approval prior to the date and time the responses are due. A contract over $100,000 will not be executed unless the firm or business having more than forty (40) full-time employees, either within or outside the State of Minnesota, has received a certificate of compliance signifying it has an affirmative action plan approved by the Commissioner of Human Rights. The Certificate is valid for four (4) years. For additional information, contact the Department of Human Rights, Freeman Building, 625 Robert Street North, Saint Paul, MN 55155.
