- b. Vendors requesting deviations from and exceptions to these Terms and Conditions, specifications, or the manner of this RFP must describe in detail, signed, and attached to the proposal submittal. A request must be accompanied by an explanation why the exception is being sought and what specific effect it will have on the Vendor’s ability to respond to the RFP or perform the contract. In the absence of such statement, Vendor will be deemed to have accepted all such Terms and Conditions, specifications, and the manner of the RFP. Vendor acknowledges that failure to raise an issue related to the Terms and Conditions, specifications, or manner of this RFP prior to the proposal submission deadline in the manner described constitutes a full and final waiver of that Vendor's right to raise the issue later in any action or proceeding relating to this RFP. Minnesota State reserves the right to address nonmaterial requests for exceptions to the standard terms and conditions and contract language with the highest-scoring Vendor during contract negotiation.

Parties to the Contract

Parties to the contract(s) entered into as a result of this RFP will be the “State of Minnesota, acting through its Board of Trustees of the Minnesota State Colleges and Universities (Minnesota State)” and the successful Vendor(s).

Nonresident Aliens Taxes

Pursuant to 26 U.S.C. §1441, Minnesota State is required to withhold certain federal income taxes on the gross compensation paid to nonresident aliens, as defined by Internal Revenue Code §7701(b). Minnesota State will withhold all required taxes unless and until Vendor submits documentation required by the Internal Revenue Service indicating that Vendor is a resident of a country with tax treaty benefits. Minnesota State makes no representations regarding whether or to what extent tax treaty benefits are available to Vendor. To the extent that Minnesota State does not withhold these taxes for any reason, Vendor agrees to indemnify and hold Minnesota State harmless for any taxes owed and any interest or penalties assessed.

Entertainer Taxes

Pursuant to Minnesota Statutes 290.9201, Minnesota State is required to withhold a two percent (2%) tax on the gross compensation, including reimbursable expenses, paid to non-Minnesota entertainers for any performance in Minnesota.

Reimbursements

Reimbursement for travel and subsistence expenses actually and necessarily incurred by Vendor as a result of the contract will be in no greater amount than provided in the current "[Commissioner's Plan](#)" promulgated by the Commissioner of Minnesota Management & Budget, available in Buyer Attachments section. Reimbursements will not be made for travel and subsistence expenses incurred outside Minnesota unless Vendor has received prior written approval for out of state travel. Minnesota will be considered the home state for determining whether travel is out of state.

Contract Termination

Minnesota State may cancel the contract(s) entered into as a result of this RFP upon 30 days written notice, with or without cause.

Liability

Vendor shall indemnify, save, and hold Minnesota State, its representatives and employees harmless from any and all claims or causes of action, including all attorney's fees incurred by Minnesota State arising from the performance of the contract(s) by Vendor or Vendor's agents or employees, entered into as a result of this RFP.

For Software Related Service Contracts Only

End User License Agreements

This resulting contract will be the entire agreement between Minnesota State (including Minnesota State employees, students, and other end users) and Vendor. In the event that Vendor enters into terms of use agreements or other agreements or understandings, whether electronic, click-through, verbal or in writing, with Minnesota State employees, students, or other end users,

such agreements will be null, void and without effect, and the terms of the contract with Minnesota State will apply.

Intellectual Property Infringement

Vendor represents and warrants that its software and any related systems and/or services related to its software (collectively, the “Software”) furnished by Vendor to Minnesota State will not infringe upon or violate any patent, copyright, trademark, trade secret, or any other proprietary right of any third party. Vendor will, at its expense, defend any suit brought against Minnesota State, and will indemnify Minnesota State against an award of damages and costs (including reasonable attorney fees, court costs, and appeals), made against Minnesota State by settlement or final judgment of a court that is based on a claim that the use of Vendor’s Software infringes an intellectual property right of a third party.

Required Data Collection and Disclosure

As a condition of the contract(s) entered into as a result of this RFP, Vendor(s) will be required by Minn. Stat. §270C.65 to provide a social security number, a federal tax identification number or Minnesota tax identification number. This information may be used in the enforcement of federal and state tax laws. These numbers will be available to federal and state tax authorities and state personnel involved in approving the contract and the payment of state obligations. Supplying these numbers could result in action to require Vendor to file state tax returns and pay delinquent state tax liabilities. The resulting contract will not be approved unless these numbers are provided.

If you are an independent contractor, Minn. Stat. §256.998 requires the state to report your name, address and social security number to the New Hire Reporting Center of the Minnesota Department of Human Services unless your contract is for less than two months in duration with gross earnings of less than \$250.00 per month. This information may be used by state or local child support enforcement authorities in the enforcement of state and federal child support laws.

Workers’ Compensation

The Vendor will certify it is in compliance with Minnesota Statutes §176.181, subd. 2 pertaining to workers’ compensation insurance coverage. The Vendor’s employees and agents will not be considered Minnesota State employees. Any claims that may arise under the Minnesota Workers’ Compensation Act on behalf of these employees or agents and any claims made by any third party as a consequence of any act or omission on the part of these employees or agents are in no way Minnesota State’s obligation or responsibility.

State Audit

The books, records, documents and accounting practices and procedures of Vendor relevant to the resulting contract(s) must be available for audit purposes to Minnesota State and the Legislative Auditor's Office for a minimum of six (6) years after the termination/expiration of the contract.

Vendor must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by Minnesota State in accordance with the contract and as it applies to all data created, gathered, generated, or acquired in accordance with the resulting contract.

All materials submitted in response to this RFP will become property of Minnesota State and will become public record after the evaluation process is completed. Pursuant to the statute, completion of the evaluation process occurs when Minnesota State has completed negotiating the contract with the selected Vendor. If Vendor submits information in response to this RFP that it believes to be trade secret materials as defined by the Minnesota Government Data Practices Act, Vendor must:

- Mark clearly all trade secret materials in its response at the time the response is submitted;
- Include a statement with its response justifying the trade secret designation for each item;
- Defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the State of Minnesota, Minnesota State Colleges and Universities, its agents and employees, from any judgments or damages awarded against the State or Minnesota State in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives the award of a contract. In submitting a response to this RFP, the Vendor agrees this indemnification survives as long as the trade secret materials are in possession of Minnesota State.

Minnesota State will not consider the prices submitted by the Vendor or contract documents proposed by the Vendor to be proprietary or trade secret materials.

- b. The Vendor shall warrant that Materials produced or used under the resulting contract do not and will not infringe upon any intellectual property rights of another, including, but not limited to, patents, copyrights, trade secrets, trade names, and service marks and names. The Vendor shall indemnify and defend, to the extent permitted by the Attorney General, Minnesota State at the Vendor's expense from any action or claim brought against Minnesota State to the extent that it is based on a claim that all or part of the Materials infringe upon the intellectual property rights of another. The Vendor shall be responsible for payment of any and all such claims, demands, obligations, liabilities, costs and damages, including, but not limited to, reasonable attorney fees arising out of this contract, amendments and supplements thereto, which are attributable to such claims or actions. If such a claim or action arises, or in the Vendor's or Minnesota State's opinion is likely to arise, the Vendor shall, Minnesota State's discretion, either procure for Minnesota State the right or license to continue using the Materials at issue or replace or modify the allegedly infringing Materials. This remedy shall be in addition to and shall not be exclusive to other remedies provided by law.

Minnesota State, at its discretion, may at any time test Vendor's products or services covered by the resulting contract to ensure compliance with Section 508 and WCAG 2.0. Testing that results in findings of non-compliance, will result in a 25% reduction in the total cost of the products and/or services covered by the resulting contract if the non-compliance is not corrected within 30 days of being reported to Vendor in writing. All withheld amounts will be paid to Vendor upon correction of the non-compliance and acceptance by Minnesota State. Said acceptance not to be unreasonably withheld.
